POLICE COURT!

title perhaps from his being baron of honesty, was brought up before the Mayor this morning on the charge of having stolen two watches from the cabin of the schooner Advance, yesterday morning. Ryan had been employed as a cook and and steaward on board the schooner, and in the exercise of his functions was admited the state room, where seeing the two watches lying most temptingly be-fore him, and being mindful of the good old proverh, he determined to "take time by the forelock," whereupoa he took time and the time-keepers and made off from the wharf. He was however brought up liv the vigilance of the police officers Levy and McCullum, and one of the Temperance Hotel of Charleston, we watches found upon his person. The ing, and having stated that he had sold offered to point out the place where he had sold it, which he did. The Captain the city, and its popularity is astonishing. therefore regained his property, a little the worse for wear, Ryan having engaged in a spree on the strength of his specula The Captain declined prosecuting, and the Mayor ordered Ryan to give a bond for his good behaviour in \$200, with security in like amount, or in default to be committed. The Baron's friends being absent the security was not forthcoming, and we presume he will have to enend a short time with the jailor .- Eve.

Sudden Death .- Mr. Richard Brown, of Charleston, and of the South, and will. EXPECTORANT, I was restored, and an estimable citizen of this District, died we predict, become still more popular, never in my life have I enjoyed better or very suddenly, at his redidence, near this and if our city friends will help us and we place on the evening of the 22th ult. We know that its spirited proprietor needs only if you should see me now, you would suggestand that he had been out during our unequivocal support, to enable him to imagine by my appearance that I had so the day attending to the business of his meet fully the wishes of the temperance offarm, in his usual health, and at sonset public. Washingtonians, help ! started home in company with his little son, a lad about eight years old they had proceeded but a short distance, when he complained of a severe pain in the hand discovered the extraordiary phenomeson for fingers, and of feeling very weak, when he sat down, and immediately fell upon in the heavens at the same time, and now shis side, and directed the lad to call for he has reported to the Secretary of the of two negroes whom they had left behind. Navy an account of the appearance of a The ho apon coming up found him deprived third on the night of the 13th ult. He says New Books ! New Books !! of the use of his limbs and speechless, in it is a beautiful concentration of whitish which situation he was taken to the house light-seen through a common spy-glass; and expired in a few hours. Medical aid it has the appearance of a star when the was immediately sent for, but the physicoan only arrived a few minutes before he | Comets are visible in the West, and are breathed his last .- Camden Journal.

A Very Mean Breach of Promise .-Roderic C. Phippin, of Crown Point, as some compensation for a breach of promise on his part to commit matrimony with the aforesaid Fauny. If the circum-Stances of the case are correctly stated, Trhe variet ought to have paid more, if he had it to pay, or to have been sold to hard labor till he had earned enough. In the first place he had courted her for three stedious years, and felt her at last in the signation in which Byron says a lady voloves to be who loves her lord; and secondly. Mr. Phippin borrowed a dallar of this enterpose were opened last week at the expected bride's own brother to pay the places designated in the Act of Incorthe wedding fee, and went off the same might and married another woman; paying the clergyman's perquisite, for aught we subscription amounted to \$50,200; Green-know, with that very dollar! Now, we ville \$46,600-Laurens \$500. Before isinsist upon it, thar this is the most arrocious trifling with woman's love that is any where recorded, and the fellow who was guilty of it, ought-by all means to pay beek the dollar .- N. Y. True Sun.

A Stump Speech .- "If I'm elected to this office; I will represent my constitueuts as the sea represents the earth, or the night convasts with the day. I will unriver human society, clean all its parts and screw it together again. I will correct all abuses, purge out all corruption, and go through the enemies of our party like a rat through a new cheese. My chief recommendations are, that at a public dinner given to _____, I ate more than any two men at the, table-at the late election I put in three votes for the party -l've just bought a new suit of clothes that will do to wear, to Congress, and I've got the hansomest sister in old Knintuck.

In Editorial Life .- We know of no class of the community from whom so much disinterested benevolence and thankless Tabor are expected as from editors of newspaper. They are expected to feel for one but themselves; to correct public abuses process of refinement. and private ones also, without giving offence; to sustain the difficulties of others. without regard to their own; to condemn and improper measures of ever one and income at the same time. - They are expected to note everything that is imporfant or extraordinary; notwithstanding the diversity of men's apinions, their notice by Kaffirms or natives of the country bemust be calculated to please severy one, and at the same time no one. They are Efforts were making by the Lieutenant Precious Larke, vs. Wm. expected to regard and promote the inte- Governor to obtain the murderers from his Raiford and wife, H. Boulrests of every one but themselves, and to countrymen, and it was supposed that he ware and wife, and others.) Partition live themselves on air. They are expected to labor day and night for the promotion of the public interest, and while they accord with others in opinion, a naked expression of opinion may be bestowed on them, and even that poor consolation is frequently withheld from them. They are expected to be independent, and at the same time servile tools of every man they meet. They are expected to be honest and open to the expression of their for country, and \$5 for Canal Bacon comes opinions of public measures and approve in freely, and brings 6 to 64 cts. by the wagon every thing. If they are industrious in load. Lard is in demend at 7 to 8 cents per their profession, they are dangerous fire | 1b. - Republican. brands; if they write nothing they are stupid drones, unworthy of support, and should betake themselves to the shovel or "boe for a living. But should they be active and industrious; should their labors be approved of, and should they succeed in the promotion of a particular object may rejoice in that success, but they must not reap any advantage from it. The benefits are reserved for other hands, and others too, who, if they had not at one time or other been engaged in doing everything in their power to oppose or retard the accomplishment of that object, bave at least done nothing to promote it. And after many years of unabated toil

and unceasing difficulty, if an editor should chance to err in studyment of others, he meets no indulgence.—His innocent ex-

Control of the second

pressions are carefully collected after, and | the A young gentleman who rejuces in the having been carfully metamorphosed and appellation of Biron Ryan though we transformed into a thousand shapes and fear he is not a real baron, deriving his figures, which he never dreamed of, they are thrown into mountain clouds to threaten-linn with a tempest; and that, too, by men who wear faces towards him ington District. beaming with kindness; and honey and oil upon their tongues, and lips apparently too soft for butter to rest upon them. ger is concealed beneath their cloak .-

From the Carolina Bantist.

TEMPERANCE IN THE SOUTH One of the progressive triumphs of the cause of temperance in the South, is the constantly increasing patronage of th believed that consumption cannot be cured mean the Merchant's Hotel, by Mr. human system, nothing can eradicate or Barou appeared quite penitent this morn- Divver, who hoisted the Temperance flug over this extensive and commodious estabone of the watches for three dollars, he lishment in October last. Its patronage is now almost equal to that of any Hotel in especialty in the country, and its improve ments are extending with the increase of effit others, compels me to pronounce the custom. To all our friends in the country, we say, that if they can sympathize with recollect, sir, that in the beginning of 1840 the strugglings of a man of principle and I wrote to you, stating that I had the stern integrity, if they had enjoyed, as Consumption, and that it was fast hurrywe have, for more than two mouths, the ing me to the grave. I did not then, not quiet, orderly, superabounding, substan tial and prompt accommodations of the painfully visible. My Physicians con-Merchant's Hotel, they would not scruple sidered me incurable, but the advice to recommend the establishment of our friend and brother Divver. We repeat am happy to say that by using a few hotemphatically, it is the Temperance Hotel

Three Comets .- Lieut. Maury, of the Observatory at Washington, recently of two Comets, apparently near each other glass is not in good focus. All three not far from each other.

War in South America - A letter to the Miss Fanny McAuley recently recovered U. S. Gazette, from Payric Cabello, dastrong probability amounting almost to certainty, that a war will break out be tween the States of New Grenada and Enquador. The New Granadian Minister has been insulted, and had withdrown from Equador, while the provin cial government of the latter had called the people to arms for the defence of the coun-Lay .- 16.

Greenville and Columbia Ruil Road. The Books for receiving subscriptions to the places designated in the act of Incorporation, but we have on y heard the re-sult in two or three. At Newberry, the subscription amounted to \$90,200; Greensuing the next number of your paper, we expect to learn how much Stock has been taken in Charleston, Columbia and other places, and can then form a better idea of the probability of saving the char ter, than at present. The Books are to be kept open at this place for twelve months.—Granville Mountaineer.

The Court of Sessions and Common Pleas is sitting at Laurens the present week-Judge Wardlaw presiding, We understand there was no case on the docket of much interest, but a sufficient number of litigated cases to occupy the whole

Gold in South Carolina,-We were shown, a few days ago, says the Laurens ville Herald, three very fine specimens of this me al, weighing respectively, 4 dwts. 18 grs. 2 dwts. 2 grs., and 1 dwt. 6 grs. obtained from the plantation of Dr. John W. Simpson, situated about six miles above this place. The specimens seem to be free from any impority, and were 19 Merch 18 shown to us as they were taken from the soil, without having undergone the usual

Marder of a Missisnary. - In a file of Cape of Good Hope papers, up to the 14th against harboring or employing said boy, as December, reserved at the office of the the law will be enforced against all who do so:

DR. .D. JAYNE'S Sanative Pills.

For Liver Complaints, Gouts, Jaundice, Dyspepeia. Rheumatism, Fevers, Ner vousness. Erysipelus, and Diseases of the Skin, Impurity of the Blood, Infiammation: Mediancholy, Sick-Houduche, Costiveness, Pains in the Head, Breast, Side, Back and Limbs, Billious Affections, Female Diseuses. &c., and whatever an Alter ative or Purgative Medicine man be required.

I HERE is searcely any disease in which Pur gative Medicines are not more or loss required, and much suffering and sickness might be provented, were they more generally used. No person can feel well, whilst a cosive habit of body prevails, besides, it soon generates se-rious, and often fath! diseases, which might have been avoided by a timely and judicious

use of proper Catharic Medicines.

The proprietor can recommend these Pills with the greatest confidence, believing them far superior to the Pills in ener luse; more operation.

peration. In using them, no particular care is required. Persons may eat and drink as usual, and if desirable, eat immediately after taking them. Age will not impair them, as they are so ombined as to always readily dissolve in the stomach. It is a stomach. It is mall doses they are an Alterative, and

gently Laxative, but in large doses they are actively Cathartic, cleansing the whole alimentary canal from all putrid, irritating, and fecal matters, and producing healthy secretions of the Stomach, Liver, and the various other organs of the hody.
