**Jayne's Expectorant.**

A reference to our advertising columns, it will be seen that this valuable Medicine is offered for sale in this city. We esteem it a pleasure to be able to recommend this medicine, as the best calculated for the relief of curing coughs, colds, sore throat, asthma, and all affections of the lungs. From a long personal acquaintance with Dr. Jayne, we know that he is no quack, and his medicine are not the modern cry-up, but are the result of his long experience as a practising physician, and the expense of great labor.

One give it a fair trial. We ask no more of any one, than to give Dr. Jayne's Expectorant a fair trial. It does not cure the various diseases for which it is recommended, sooner and more effectually than any other medicine that has ever been offered to the public. The proprietor is willing to undergo any penalty, however severe, the public may see proper to impose upon him. It has, and it will cure Coughs, Colds, Asthma, Bronchitis, Bleeding from the Lungs or Throat, Whooping Cough, Croup, and a very large majority of the most hopeless cases of Consumption, when Physicians and prescriptions fail to do any good. Again we say only try it. It will not harm you, but it must and will do you good.

R. S. ROBERT'S is Dr. D. Jayne's only Agent at Edgefield Court House. Beware of Counterfeits!

**Who Can Doubt THE VIRTUES OF JAYNE'S HAIR TONIC!**

Summerville, N. J., Nov. 26, 1842. Dr. Jayne--Dear Sir--I send you the following certificate obtained from Mr. Quick. I would just state that I became acquainted with him about two years ago. At that time he was entirely bald, with the exception of a lock of hair on the back part of his head, about the size of half a dollar, and that lock of hair he told me had been made to grow by the use of your Tonic; previous to which he positively avers, he had not a single hair in his head. The hair now completely covers his head, and is from 4 to 5 inches long. Very respectfully, yours, &c., P. MASON

Another Proof of the Efficacy of Dr. Jayne's Hair Tonic.--This will certify that I was entirely bald for about three years, when I was recommended to try Dr. Jayne's Hair Tonic. I procured two bottles of Mr. Mason, in Summerville, and using the Tonic for about 15 months, my hair came in all over my head, and although not quite as thick as before, yet it is constantly growing. This surprising restoration of my hair has excited the astonishment of all my acquaintances, and made me an object of curiosity to many. I am now 55 years of age, and have reason to regard the inventor of this matchless Hair Tonic, as a public benefactor.
