May 16 A Challege to the World! WE fearlessly challenge all men whether Medical men or inventors of Quack Nostrums, to produce the evidence of so wonderful a cure of Scrofula as the following, which was performed in ELEVEN DAYS!
READ IT!! READ IT!!!

Messrs. Rowand & Walton-Gentlemer's In justice to you, and as an act of charity to those afflicted as I have been. I cheerfully furnish you this testimonial of the astonishing cure performed upon me by your "PR. Collers's Indian Vegetable Panacea." More than two years since, I was attacked with a most obstinate and frightful Scrofula, which baffl d the skill of the most eminent physicians in our city. Among other remedies I used six-teen bottles of "Swain's Panacea," twelve bottles of "Sand's Sassaparitla," eight bottles "Sarsaparilla and Iodine," and large quanti-ties of Hydriodate of Potash, and was still

growing worse.

My mother seeing your advertisement of "Dr. Cullen's Panacea," called upon you, and you spoke so confidently of it that I was induced to try it, although I had but little faith in its efficacy, after having tried so many other remedies without relief. My face, forchead, nosc, cars and one side of my throat were almost covered with highly inflamed and painful ulcers, when I commenced using the "Pana-cea," on the 29th of December, 1845-and to my atter astonishment, the swelling and sore ness were entirely removed in treenty four hours; and in two days the ulcers commenced healing! I am now using the third bottle—the ulcers are all healed, and my health perfectly restored.

Yours, &c., Signed JOHN W. APPLETON. Philadelphia Jan. 10, 1846, No. 9, Madison St. City of Philadelphia, ss.
MAYOR'S OFFICE.

Personally appeared before me, the sub-[L. s.] scriber, Mayor of said City, John W. Appleton, who being duly sworn; deposes and and that the facts set forth in the foregoing statement are true. In testimony whereof, I have hereunto set my name and caused the corporate seal to be affixed, this 10th day of January. A. D., 1846.

Signed JOHN SWIFT, Mayor.
The above certificate of our Son is without
the least shade of enaggeration. His case we had considered almost hopeless, after so many celebrated remedies had failed, and we attrib. ute his final cure in the incredibly short space of

eleven days to your "Panacea" alone.
Yours, respectfully, Daniel Appleton.
January 10th, 1846 Ann M. Appleton. I can cheerfully bear testimony to the above very extraordinary case, and believe it to be one of the most wonderful cares on record. 1 was present when Mr. Appleton called to see Rowand & Welton, in relation to his case. very painful--and I must say that I very much

His face was then almost covered with Scrofn-lous Ulcers, which were highly inflamed and much doubted that a cure could ever be effected. It is hardly probable that Mr. Appleton would have lived three wonths longer without relief. WM. STEETING, M. D. . Signed, January 10, 1846. "Cullen's Panacea," sold Wholesale and Re-

tail by Jos. T. Rowand. No. 376 Market street; P. H. Horn, corner Fourth and Poplar; G. W. Vangan, corner Shackamaxon and Queen streets: Kensington, and of our accredited Agents generally.
