VEGETABLE FEVER AND AGUE AND ANTI FEVER

asia 的 的 S

Philadelphia, January 17th, 1846.

HE success of these Pills in caring in a If few hours, where all other remedies have failed, and that too, in cases of twelve and eighteen months standing, warrants the assertion, that, if taken according to the directions, they are a certain care. A long list of certificates in proof of their infalibility might be added, but, try them and he convinced that they are the most certain and the very best remedy ever offered to the public, to insure a perma

-much pain and sickness will be prevented.

Worms in Children!
Of all diseases to which children are exposed, none are so fatal to them as worms Unfortunately, children are seldom free from them and as they muitate the symptoms of almost every other complaint, they often produce alarming effects without being suspected Worms are not only a cause of disease themselves, but by their irritation aggravate all other diseases, wandering from one part of the hody to the other, winding themselves up into large halls, and obstructing the bowels and frequently the throat, causing convulsions, and too often death. The desired remedy will be found in Dr. Javue's Tonic Vermifuge will very soon destroy the worms, and mvigo-
