**Tyler's Ague & Fever Pills.**  
A CERTAIN, safe and effectual cure for Ague and Fever, in all various forms. Also, an excellent Tonic in Dyspepsia, Palpitation of the Heart, Loss of Appetite, Neuralgia, Nervous and other diseases, which arise from a weak and debilitated condition of the system.  
Baltimore, December 15th, 1843.  
Dr. G. K. TYLER.—Dear Sir—It is with great pleasure that I announce to you a perfect restoration of my health by the use of your invaluable pills. I had been suffering from Chills and Fevers for eighteen or twenty months, during which time I took five bottles of Rowan's Tonic Mixture, Dr. Sherman's Fever and Ague Lozenges, Dr. Love's Vegetable Elixir, Keener's Powders, Barks, Quinine, Thompsonian Medicines, Arsenic, Herbs, and in fact almost all the popular remedies I could hear of; and yet received no lasting benefit. The chills were stopped by Quinine and other things, but after a few days or weeks they would return again, as bad or worse than before. Towards the last the chills came only every third day, and these were followed by fever of such severity as to affect my reason and it was found necessary for some one to watch with me until the paroxysm passed off. At last I procured a box of your pills, and only took four of them; and this completely stopped the chills, that I had never had a return of them and near a year of this time was passed in the same place where I first caught the disease.  
That my case is not one cured by chance is proven from the fact that four pills out of the same box cured Capt. Reuben Banks, so effectively that he has never had the disease since, whereas before he often suffered from it. Two other persons were also cured by the contents of this same box, and they neither of them have had a return of it although they both reside where they are exposed every season.  
I know several others who have been cured by your pills, but it is unnecessary to detail their cases. The best certificates of their efficacy in Chills and Fever, will be a few doses, and if they are as beneficial to others as they have been to me they will be truly called a public blessing.  
I am with much respect your obed't serv't,  
HENRY BRISCOE.

**HEALTH MADE EASY.**  
**DR. LE ROY'S VEGETABLE UNIVERSAL PILLS.**  
THE startling drawback on nearly all Medical Agents has ever been that in the process of purgation and purification they have also debilitated the System.—(Hence Purgative Medicines have always been regarded as best but a Necessary Evil. Patients resorting to them for the relief of one disease at the expense of another.—To obviate this Physicians have long sought for an Agent that would at the same time PURGE, PURIFY and STRENGTHEN. But their efforts were nearly fruitless, and they had almost despaired of success when the labors of science, and research were rewarded by a discovery which fully realized the fondest desires of the Medical Faculty, and which is justly regarded as one of the most important Triumphs that Pharmacy has ever achieved.—This important desideratum is named Dr. LE ROY'S VEGETABLE UNIVERSAL PILLS, which purify the Blood and remove all corrupt, and vitiated humors, and unhealthy accumulations from the body in a manner never before rivaled, and which yet produce no weakness or lassitude whatever, but on the contrary, tone the Stomach, and invigorate the constitution during the progress of their operations! Dr. Le Roy's Pills, in fact unite those heretofore irreconcilable, but most desirable qualities, Evacuation and Invigoration, for they are at the same time a STRENGTHENING PURGATIVE, and a PURIFYING TONIC.  
The two principle ingredients in Dr. Le Roy's Pills are WILD CHERRY and SASSAPARILLA, so prepared that each promotes the beneficial effect of the other, the former strengthening, while the latter, through its union with various vegetable ingredients, evacuates, and purifies the blood, and restores the normal force or lassitude of the Digestive Functions, and hence their operations are attended, by no Reaction, or subsequent Costiveness.  
Dr. Le Roy's Pills are the most active and searching Medicine in existence. They at once attack the very root of Diseases, and their action is so prompt, that in an hour or two after they are taken, the patient is aware of their good effects. They not only operate on the Blood, but also on the chyle, of which the blood is formed, and this secures good blood from the fountain head, moreover they produce neither nausea, griping or debility, and as a family Medicine they have no rival.—Price 25 CENTS per Box.

**Beckwith's Pills.**  
THE Proprietor, many years ago, while searching for a remedy for his own ill health which prescription of the day had failed to benefit, to hit upon the composition of these Pills, and they proved entirely successful in restoring his health. Their composition was freely communicated to many Physicians, and it was not the design of the Inventor that they should extend beyond the private practice of himself, and that of his medical friends. Applications for them, however, began to multiply, and he was advised by many of his professional brethren, and other gentlemen, of character and distinction, to prepare a quantity of them and place them in the hands of an apothecary. Even this seemed insufficient, and he was urged to send them, by means of agencies, throughout the country. Calomel had long been a common domestic remedy. There was scarcely a family in which a small quantity was not to be found, and a small quantity was not used with a degree of freedom from which a well informed Physician should shrink. A strange infatuation too seemed to exist among many of the Faculty. Hardly a case was prescribed for whether acute or chronic, in which calomel was not given, in some stage of the disease, without fear or reflection; and thousands are still suffering from its pernicious effects. Calomel is, without doubt, a most valuable medicine, and in some cases may be regarded as essential, but it should not be stricken from the list of domestic remedies, and be administered only under the prudent and judicious advice of a thoughtful Physician. Unopuntially, by many Physicians and others, these Pills were found to be a substitute for mercurial preparations in a large number of cases, and hence their popularity, and the large demand for them. The identity of obtaining a Patent for them was never ascertained, nor has it been sought to this day. It was believed that by giving them a popular form and circulating them through the country, thousands would be benefited by their use, who would, otherwise, never hear of the prescription and never learn that a preparation had been compounded which rendered the indiscriminate and pernicious use of calomel unnecessary. These were some of the inducements which led the Inventor of the Pills to consent that they should become an object of public sale:

**HARRISON'S SPECIFIC OINTMENT.**  
FOR the cure of White Swellings, Scrofula, and other tumors, Ulcers, Sore Legs, old and fresh Wounds, Sprains and Bruises, Swellings, and Inflammation, Scald Head, Sores, Breasts of women, Rheumatic pains, Tetters, Eruptions, Chills, Itch, Whilows, Biles, Corns, and external diseases generally. It is likewise greatly superior to any medicine heretofore discovered for the chafed backs and limbs of horses; for ringworms, chapped lips, and in short for every external bodily evil that may fall to the lot of man or beast. The Proprietor, of this noble specific can positively state, without fear of contradiction, that it is vastly superior to any compound ever discovered, or at least that is known in these days, in the cure of the above complaints. Indeed, too much cannot be said in its favor, for there is nothing more certain, than its efficacy in the matters for which it is recommended, and the speed and perfection of its cures are such as to have the appearance of being miraculous. No house should be without this almost universal ointment, for the inmates of all houses are liable to scalds, scratches, cuts, bruises, buras, corns, chapped lips, &c. &c. &c. from any or all of which they can receive but little injury if they have a box of Harrison's unrialed specific to contend with them. For Pills and Salk Rheum it surpasses all other remedies.
