Tyler's Ague & Fever Pills. CERTAIN, safe and effectual cure for Ague and Fever, in all varied forms. Also, an excellent Tonic in Dyspepsia, Palpita-tion of the Heart, Loss of Appetite, Neuralgia, Nervous and other diseases, which arise from a weak and dehilitated condition of the system.

Beltimore, December 15th, 1843.
Dr. G. K. Tyler.—Dear Sir.—It is with great pleasure that I announce to you a perfect restoration of my healsh by the use of your invaluable pills. I had been suffering from Chills and Fevers for eighteen or twenty months during which time I took five bottles of Rowand's Tonic Mixture, Dr. Sherman's Fever and Ague Lozenges, Dr. Love's Vegetable Elixir. Keener's Powders, Barks, Quinine, Thompso nian Medicines, Arsenic, Herbs, and in fact almost all the popular remedies I could hear of and yet received no lasting benefit. The chills were stopped by Quinine and other things, but after a few days or weeks they would return again, as bad or worse than before. Towards ihe last the chills came only every third day, and these were followed by fever of such se verity as to affect my reason and it was found necessary for some one to watch with me until the paroxysm passed off. At last I procured a box of your pills, and only took four of them; this so completely stopped the chills, that I have never had a return of them up to this time, (nearly two years) and near a year of this time was passed in the same place where I first caught the disease.

That my case is not one cured by chance is proven from the fact that four pills out of the ame box cured Capt. Reuben Banks, so effectually that he has never hard the disease wherens before he often suffered from it. Two other person were also cured by the contents of this same box, and they neither of them have had a return of it although they both reside where they are exposed every season.

I know several others who have been cured by your pills, but it is unnecessary to detail their cases. The best certificates of their efficiency in Chills and Fever, will be a few doses, and if they are as beneficial to others as they have been to me they may be truly called a pub-

HARRISONSSPECIFIC KOINTMENT

OR the cure of White Swellings, Scrofulas, and other tumors, Ulcers, Sore Legs, old and fresh Wounds, Sprains and Bruises, Sweltings, and Inflammation, Scald Head, Sore Breasts, of teomen, Rheumatte pains, Tetters. Eruptions, Chilblains, Whitlows, Biles, Corns, and external diseases generally. It is likewise greatly superior to any medicine heretofore discovered for the chafed backs and limbs of horses; for ringworms, chapped lips, and in short for every external bodily evil that may fall to the lot of man or beast. The proprietor of this noble specific can positively state, without fear of contradiction, that it is vastly superior to any compound ever discovered, or at least that is known in these days, in the cure of the above complaints. Indeed, too much cannot be said in its favor, for there is nothing more certain, than its efficacy in the matters for which it is recommended, and the speed and perfection of its cures are such as to have the annear ance of being miraculous. No house should be without this almost universal ointment, for the inmates of all houses are liable to scalds, scratches, cuts, bruises, buros, corns, chapped lips, &c. &c. &c.; from any or all of which they can receive but little injury if they have a box of Harrison's unrivalled specific to contend with them. HEALTHMADE EASY.

DR. LE ROY'S VEGETABLE UNIVERSAL PILLS.

THE startling drawback on nearly all Meddicinal Agents has ever been that in their process of purgation and purification they have Also Debilitated the System.—Hence Purgaive Medicines have always been regarded as at best but a Necessary Evil, Patients resorting to them for the relief of one disease at the expence of another .- To obviate this Physicians have long sought for an Agent that would at the same time PURGE, PURIFY and STRENGTH-EN. But their efforts were nearly fruitless, and they had almost despaired of success when the labors of science, and research were re-warded by a discovery which fully realized the fondest desires of the Medical Faculty, and which is justly regarded as one of the most im-portant Triumphs that Pharmacy has ever achieved.—This important desideratum is named Dr. LE ROY'S VEGETABLE UNIVERS SAL PILLS, which purify the Blood and re-move all corrupt, and vitiated humors, and unhealthy accumulations from the body in a man-ner never before rivalled, and which yet produce no weakness or lassitude whatever, on the contrary, tone the Stomach and invigorate the constitution during the progress of the operations! Dr. Le Roy's Pills, in fact unite able qualities, Evacuation and Invigoration, for they are at the same time a STRENGTHEN-ING PURGATIVE, and a PURIFYING TO

The two principle ingredients in Dr. Le Roy's Pills are WILD CHERRY and SAR-SAPARILLA, so prepared that each promotes the beneficial effect of the other, the former strengthening, while the latter, through its union vith various vegetable ingredients, evacuates, and purifies-thus they superinduce no torpidity or lassitude of the Digestive Functions, and hence their operations are attended by no Re-

action, or subsequent Costiveness.

Dr. Le Roy's Pills are the most active and searching Medicine in existence. They at once attack the very root of Diseases, and their acthey are taken, the patient is aware of their good effects. They not only operate on the Blood, but also on the chyle, of which the blood is formed, and this secures good blood from the fountain head, moreover they produce neither nausea, griping or debility, and as a family Medicine they have no rival.—Pice 25 CENTS
