DR. JOEL BRANHAM'S
LIVER & DYSPEPTIC
MEDICINE.
IN offering this valuable Medicine to the
people of S. Carolina for the relief and cure of
many diseases incident to a Southern climate,
I do not claim for it infallibility; neither do I
say it will cure all diseases. But in
CHRONIC LIVER AFFECTIONS
AND DYSPEPSIA.
I can confidently advise and recommend its
use, from my personal observation and use of
the article in my own practice. This article is
favorably received wherever it has been used.
I am allowed to refer to Mr. George Heard of
Troup, Mr. John Warren of Columbus, Mr.
McAllice of Cobb, Mr. Astory Hall of Adams,
Mr. William D. Terrell of Putnam, Rev'd
John E. Dawson of Lagrange; to which a
great number of names might be added, who
bear their testimony to its value.
Habitual costiveness is found very frequently
connected with feeble constitutions, and per-
sons of sedentary habits, which often exert a
very unfavorable influence upon the general
health of the subject; and is particularly man-
ifested by a restless and desponding state of
the mind, irregular if not a loss of appetite. For
this condition of the system, this article is con-
fidently recommended with the positive assur-
ance that if the dose is properly adjusted, so as
not to move the bowels too actively, relief may
be relied on, without any, even the least of the
unpleasant consequences, resulting from the
use of the common purging medicines usually
resorted to. This article will be found to act
as a pleasant cordial and tonic, restoring the
appetite, and at the same time fulfilling every
indication that the common purging medicines
are designed to effect.
There are some constitutions liable to regu-
lar attacks of Bilious fever almost every fall,
to such, I recommend the use of this Medicine,
beginning at least by the middle of May, or first
of June.
Many persons whose Digestive organs are
feeble, often experience a sense of fullness,
weight and oppression, about the stomach af-
ter eating—in such cases, the use of this medi-
cine will often afford immediate relief.
Pregnant women often suffer from heart
burn and costiveness, they may use the article
without the least danger and with great benefit.
In sick or nervous head-ache, it is a most valu-
able medicine.
I could append a long list of certificates, but
forbear, preferring to rely on the virtues of the
medicine to sustain itself. The medicine is a
gentle and certain cathartic tonic and sudorific.

Tyler's Ague & Fever Pills.
A CERTAIN, safe and effectual cure for
Ague and Fever, in all its varied forms. Al-
so, an excellent Tonic in Dyspepsia, Palpitation
of the Heart, Loss of Appetite, Neuralgia,
Nervous and other diseases, which arise from a
weak and debilitated condition of the system.
Baltimore, December 15th, 1843.
Dr. G. K. TYLER—Dear Sir—It is with
great pleasure that I announce to you a perfect
restoration of my health by the use of your in-
valuable pills. I had been suffering from
Chills and Fevers for fifteen or twenty months,
during which time I took five bottles of Row-
and's Tonic Mixture, Dr. Sherman's Fever and
Ague Lozenges, Dr. Love's Vegetable Elixir,
Keener's Powders, Barks, Quinine, Thomp-
sonian Medicines, Arsenic, Herbs, and in fact
almost all the popular remedies I could hear of,
and yet received no lasting benefit. The pills
were stopped by Quinine and other things, but
after a few days or weeks they would return
again, as had or worse than before. Towards
the last the chills came only every third day,
and these were followed by fever of such se-
verity as to affect my reason and it was found
necessary for some one to watch with me un-
til the paroxysm passed off. At last I procured
a box of your pills, and only took four of them;
this so completely stopped the chills, that I
have never had a return of them up to this
time, (nearly two years) and near a year of
this time was passed in the same place where I
first caught the disease.
That my case is not one cured by chance is
proven from the fact that four pills out of the
same box cured Capt. Reuben Banks, so ef-
fectually that he has never suffered from it. Two
other persons were also cured from it. Two
others, who were cured by the pills, have since
returned to me, and they neither of them have
a return of it although they both reside
where they are exposed every season.
I know several others who have been cured
by your pills, but it is unnecessary to detail
their cases. The best certificates of their effi-
cacy in Chills and Fever, will be a few doses,
and if they are as beneficial to others as they
have been to me they may be truly called a pub-
lic blessing.
I am with much respect your obed't serv't.

PETERS' PILLS.
TESTIMONIALS.—Extract of a letter
from Dr. Waines, of Philadelphia, Feb. 2,
1840.—"Your Pills are the mildest in their
operations, and yet most powerful in their
effects, of any that I have ever met with in a
practice of eight and twenty years. Their action
on the chyle and hence on the impurities of the
blood, is evidently very surprising."
Extract of a letter from Dr. Henry Hall, of
Quebec, L. C., March 6, 1841.—"For Bilious
fevers, sick headaches, torpidity of the bowels,
and enlargement of the spleen, Dr. Peters'
Pills are an excellent medicine."
