### Greenwood, S. C., Dec. 6, 1847.

THE Board of Trustees of the Greenwood Male and Female Academies, under the control of the Baptist denomination, take pleasure in informing the friends and patrons of these institutions and the public in general, of the efficiency and success with which they have been conducted the present year. That Mr. and Mrs. Nicolls considering themselves permanently located in this place, the Board feel justified in offering that under the able Rectoryship of Professor B. H. Nicholls a thorough and complete course of instruction in the various branches of female education will be imparted to those committed to his care. And while the Board regret that the increasing ill health of Mr. W. J. Harris renders it necessary for him to discontinue the Rectoryship of the Male Academy they congratulate themselves and patrons in having employed Mr. Allen Dederick as his successor. Mr. Dederick brings with him testimonials of the most satisfactory kind from the Rev. W. D. Strobel, the Rev. Geo. Neff, A. M. and others, the authenticity of which, as well as the high literary and moral character of the gentleman giving them are substantiated by the Rev. John Badman D. D. of Charleston, S. C. Mr. Dederick has been teaching the present year in Georgia and our attention was directed to him as a gentleman well qualified to take charge of the Institution by the Rev. W. J. Harris and other gentlemen of the city of Augusta who are personally acquainted with him.

For the liberal patronage which these Institutions have received during the present year the Board feel thankful; and with the increased and increasing facilities which they offer for intellectual and moral culture, the Board confidently look forward to their patrons, friends and a generous public for a continued patronage.

There is not a shadow of doubt that this is true, and were not the subject of too delicate a nature, hundreds would testify to the unrivalled efficacy of this Cordial as a specific for barrenness, floridus, gleets, irregularities in the secretions, pains in the Kidneys, female suppressions. ### DR. JOEL BRANHAM'S LAWYER & DYSPEPTIC MEDICINE.

IN offering this valuable Medicine to the people of S. Carolina for the relief and cure of many diseases incident to a Southern climate, I do not claim for its infallibility; neither do I say it will cure all diseases. But in

### CHRONIC LIVER AFFECTIONS AND DYSPEPTIA.

I can confidently advise and recommend its use, from my personal observation and use of the article in my own practice. This article is favorably received wherever it has been used. I am allowed to refer to Mr. George Heard of Trroup, Mr. John Warren of Columbus, Mr. McVie of Cobb, Mr. Ashby Hill of Athens, Mr. William D. Terrell of Putnam, Rev. J. John E. Dawson of Lagrange; to which a great number of names might be added, who bear their testimony to its value.

Habitual costiveness is found very frequently connected with feeble constitutions, and persons of sedentary habits, which often exert a very unfavorable influence upon the general health of the subject, and is particularly manifested by a restless and disquieting state of the mind, irregular if not a loss of appetite, for this condition of the system, this article is confidently recommended with the positive assurance that if the dose is properly adjusted, so as not to move the bowels too actively, relief may be relied on, without any, even the least of the unpleasant consequences, resulting from the use of the common purging medicines usually resorted to. This article will be found to act as a pleasant cordial and tonic, restoring the appetite, and at the same time fulfilling every indication that the common purging medicines are designed to effect.

There are some constitutions liable to regular attacks of Bilious fever almost every fall, to such, I recommend the use of this Medicine, beginning at least by the middle of May, or first of June.

Many persons whose Digestive organs are feeble, often experience a sense of fullness, weight, and oppression, about the stomach after eating—in such cases a dose of this medicine will often afford immediate relief.

Pregnant women often suffer from heart burn and costiveness, they may use the article without the least danger and with great benefit. In sick or nervous headache, it is a most valuable medicine.

I could append a long list of certificates, but for brevity, preferring to rely on the virtues of the medicine to sustain itself. The medicine is a simple and certain cathartic, tonic and emollient.

### Tyler's Ague & Fever Pills.

A CERTAIN, safe and effectual cure for Ague and Fever, in all varied forms. Also, an excellent Tonic in Dyspepsia, Palpitation of the Heart, Loss of Appetite, Neuralgia, Nervous and other diseases, which arise from a weak and debilitated condition of the system.

Baltimore, December 15th, 1843.

Dr. G. K. TYLER.—Dear Sir:—It is with great pleasure that I announce to you a perfect restoration of my health by the use of your invaluable pills. I had been suffering from Chills and Fevers for eighteen or twenty months, during which time I took five bottles of Rowland's Tonic Mixture, Dr. Sherman's Febrifuge, Keener's Powders, Barks, Quinine, Thompson's Mineral Medicines, Arsenic, Herbs, and in fact almost all the popular remedies I could hear of; and yet received no lasting benefit. The chills were stopped by Quinine and other things, but after a few days or weeks they would return again, as bad or worse than before. Towards the last the chills came only every third day, and these were followed by fever of such severity as to affect my reason, and it was found necessary for some one to watch with me until the prostration passed off. At last I procured a box of your pills, and only took four of them; this completely stopped the chills, that I have never had a return of them up to this time, (nearly two years) and near a year of this time was passed in the same place where I first caught the disease.

That my case is not one cured by chance is proven from the fact that four pills out of the same box cured Capt. Reman Banks, an individual who has never had the disease since, whereas before he often suffered from it. Two other persons were also cured by the contents of this same box, and they neither of them have had a return of it although they both reside where they are exposed every season.

I know several others who have been cured by your pills, but it is unnecessary to detail their cases. The best certificates of their efficacy in Chills and Fever will be a few doses, and if they are as beneficial to others as they have been to me they may be truly called public blessings.

I am with much respect your obed't serv't.

### INVESTIMENTALS.—Extract of a letter from Dr. Waines, of Philadelphia, Feb. 2, 1840.—Your Pills are the wisest in their operations, and yet most powerful in their effects of any that I have ever met with in a practice of eight and twenty years. Their action on the chyle and hence on the impurities of the blood, is evidently very surprising. Extract of a letter from Dr. Henry Hall, of Quebec, L. C. March 6, 1841.—"For bilious fevers, sick headaches, torpidity of the bowels, and enlargement of the spleen, Dr. Peters' Pills are an excellent medicine." ### Dr. Gordon's Pills. GREAT ARRIVAL. DR. GORDON'S FAMILY PILLS.—The vast and increasing demand for this recently celebrated Medicine, and the numerous cures they are daily effecting in all portions of the country where they have been introduced, of Dyspepsia, Liver Complaints and Bilious Diseases, with their well known attendants, Sick Head-ache, &c., has induced the undersigned to make arrangements to receive their stocks direct from the Proprietor, and would say to their numerous customers that they are prepared to supply them, wholesale or retail, at New York prices. Price 25 per dozen, or 24 cents per box. For sale by P. Melvin Cohen, No. 19 Hayne street; Haviland, Harral & Allen, King street; Nelson Carter, Meeting street; E. M. ### FOR the cure of White Swellings, Scrofula, and other tumors, Ulcers, Sore Legs, old and fresh Wounds, Sprains and Bruises, Swellings, and Inflammation, Scaled Head, Sore Breasts, of women, Rheumatic pains, Tetters, Eruptions, Chilblains, Whittows, Itches, Corns, and external diseases generally. It is likewise greatly superior to any medicine heretofore discovered for the chafed backs and limbs of slaves; for ringworms, chapped lips, and in short for every external bodily evil that may fall to the lot of man or beast. The Proprietor of this noble specific can positively state, without fear of contradiction, that it is vastly superior to any compound ever discovered, or at least that is known in these days, its cure of the above complaints. Indeed, no more certain and safe remedy has ever been discovered in the medical art in the matter for which it is recommended, and the speed and perfection of its cures are such as to have the appearance of being miracles. No house should be without this almost universal ointment, for the inmates of all houses are liable to scalds, scorchings, cuts, bruises, burns, corns, chapped lips, &c. &c. &c. from any or all of which they can receive but little injury if they have a box of Harrison's unrivalled specific to contend with them. For Pills and Salt Rheum it surpasses all other remedies. For sale by T. Risley, Hamburg, and J. D. TIBBETTS, Edgfield Court House, S. C. July 25 6m 27

### HEALTH MADE EASY. DR. LE ROY'S VEGETABLE UNIVERSAL PILLS.

THE starting drawback on nearly all Medical Agents has ever been their process of purgation and purification they have also debilitated the System.—Hence Purgative Medicines have always been regarded as at best but a Necessary Evil, Patients resorting to them for the relief of one disease at the expense of another.—To obviate this Physicians have long sought for an Agent that would at the same time PURGE, PURIFY and STRENGTHEN. But their efforts were nearly fruitless, and they had almost despaired of success when the labors of science, and research were rewarded by a discovery which fully realized the fondest desires of the Medical Faculty, and which is justly regarded as one of the most important Triumphs that Pharmacy has ever achieved.—This important desideratum is named DR. LE ROY'S VEGETABLE UNIVERSAL PILLS, which purify the Blood and remove all corrupt, and vitiated humors, and unhealthy accumulations from the body in a manner never before rivaled, and which yet produce no weakness or lassitude whatever, but on the contrary, tone the Stomach and invigorate the constitution during the progress of their operations; Dr. Le Roy's Pills, in fact unite those heretofore irreconcilable, but most desirable qualities, Eucuation and Invigoration, for they are at the same time a STRENGTHENING PURGATIVE, and a PURIFYING TONIC.

The two principle ingredients in Dr. Le Roy's Pills are WILD CHERRY and SASSAPARILLA, so prepared that each promotes the beneficial effect of the other, the former strengthening, while the latter, through its union with various vegetable ingredients, evacuates, and purifies—thus they superintend no torpidity or lassitude of the Digestive Functions, and hence their operations are attended by no Reaction, or subsequent Costiveness.

Dr. Le Roy's Pills are the most active and searching Medicine in existence. They at once attack the very root of Diseases, and their action is so prompt, that in an hour or two after they are taken, the patient is aware of their good effects. They not only operate on the blood, but also on the chyle, of which the blood is formed, and this secures good blood from the fountain head, moreover they produce neither nausea, griping or debility, and as a family Medicine they have no rival.—Price 25 CENTS per Box.
