

BY LAST NIGHT'S MAIL.

PRESIDENTIAL ELECTION.

We have not yet received full returns from all the States which have voted for Presidential Electors. But we have learned enough from our exchanges to announce with certainty the election of Gen. Taylor to the Presidency. When we first heard the rumor of his probable success, we had some hopes that madam Taylor as usual had lied, but every day Taylor's prospects grew brighter and brighter, and at last there is no longer a doubt of his complete success. But we will not despair of our country or of our party. We will still battle strongly for both, and will like Gen. T. himself, "never surrender." The following are the names of the States as far as heard from, which have voted for Taylor.

Vermont, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Kentucky, North Carolina, Georgia, Florida, Tennessee, and Louisiana.

Presidential Election.—A Telegraphic despatch received last evening states that Virginia has gone for Cass by a majority of 1000 votes. Missouri, Indiana, Illinois, Wisconsin, Arkansas, Ohio, and Mississippi have also gone for Cass. Iowa doubtful. In Maine no choice has been made, but the Legislature will cast the vote of the State for Cass.—Daily Telegraph 14th inst.

From the Daily Telegraph, Nov. 14. Charleston Cotton Market.—Our Telegraphic Despatch received last night, informs us, that the sales of Cotton in Charleston yesterday, amounted to 1000 bales, at prices ranging from 44 to 54. Prices continued steady.

Sales were also made of 4300 sacks of Salt, at \$1 per sack.

College Examination.—The annual examination of the Senior class of the South Carolina College commenced yesterday morning. At a meeting of the Board of Trustees in December last resolutions were passed appointing a Board of Ten Visitors to attend this examination. We were pleased to learn that Hon. R. W. Barnwell, Hon. Mitchell Kizz Rev. W. Smith, Rev. A. Glennie, and Rev. Hazleius were yesterday in attendance to perform that duty.—Telegraph, 14th inst.

Hamilton Fish, has been elected Governor, and G. W. Patterson, Lieutenant Governor of New York.

The N. Y. Herald gives a full list of the Members elect to Congress from that State. The entire delegation is Whig, making a gain of ten on the previous election.

Horace Greely, Editors of the Express and Tribune.

The New York Herald of Saturday says that a case of Cholera, resembling very much the Asiatic Cholera, occurred at one of the hotels in Broadway, on Friday night last. There was some doubt among the Physicians whether it was the real cholera or not; but at all events, it bore a great resemblance to it. Happily, however, the patient recovered, through judicious treatment.

OBITUARY. Died of Dropsy in this District on the 31st, in the 64th year of his age, Mr. Theophilus Lundy. Mr. Lundy was a kind and affectionate husband and Father, though rendered much less useful to his family than he no doubt would have been, but for the loss of the sense of hearing at an early period in life.

He suffered several weeks severe affliction very patiently, and with a knowledge of his approaching dissolution he resignedly passed from this earthly habitation, to that bourne from whence no traveller returns.
