Graniteville

HOTEL.

THIS Establishment is now open for the reception of Visitors, and no pains will be spared by the Proprietor to render all comfortable who may favor him with a call. There has recently been a road opened from Graniteville to the Old Wells, which makes the way direct to Edgefield Court House, and the distance from that place to Graniteville, five miles shorter than to either Hamburg or Aiken.

It will thus be perceived that Graniteville is the point for persons from the up-Country to take the Rail Road for Charleston. The superior road, easy and short distance will soon satisfy all that this is the place to which produce and merchandise must come in passing to and from Charleston, and the curiosity to witness the extensive manufacturing work, busy population and beautiful Town of Graniteville. It is hoped will render it a favorite resort for those taking the Rail Road. Persons leaving here for Charleston, will have an early breakfast and be put in readiness for the morning cars. Connected with the Establishment are extensive Stables and good Rooms for the accommodation of Horses, Carriages and Horses at all times to hire.
