HASTING'S COMPOUND SYRUP OF NAPHTHA. NOT only a positive but a warranted cure for consumption and all diseases of the Lungs. This medicine has decided the dispute about the curability of consumption, and satisfied the medical faculty and all who have used it, that consumption and all affections of the lungs can not only be cured, but they are as easily and simply cured, as almost any of the diseases which the human frame is liable to. The operation of a single bottle, which costs \$1, is sufficient to satisfy any patient—if not at this time, yet a single dose gives evidence of its extraordinary influence in arresting and eradicating the malady by the immediate relief which it affords. This is no quack or secret remedy. Dr. Hastings, its discoverer, is one of the most eminent physicians of the age, and has made a full disclosure of its history, and all its component parts to the world, not wishing to incur the responsibility of concealing it, but for the sake of profit, a secret which would be calculated to do such universal good. And such has been the wonderful success of its operation, that the London Lancet, Medical Times, and the most eminent physicians of both hemispheres, are anxiously calling upon sufferers to have immediate recourse to it, and proclaiming that of all known medicines, it alone has positively established its efficacy by undeniable proofs of curing consumption and all other diseases of the lungs. For sale at the Apothecary Hall by J. D. CHASE. Price \$1 per bottle December 6 1848 12m

RAYMOND & WARING'S GREAT ZOOLOGICAL EXHIBITION, FROM THE CITY OF NEW-YORK.

Mr Jno. Shaffer THE daring LION TAMER, and his equally intrepid LADY, will enter the cage with LIONS, TIGERS, LEOPARDS and PANTHERS. He will drive a large AFRICAN LION harnessed to a Car, and will by various graceful and daring Feats, show his control over animals usually deemed of the most savage disposition. Will be Exhibited at Spann's the 13th; Edgefield C. H. the 14th; Aiken on Friday the 15th December. Hours open from 1 to 4 o'clock P. M. ADMISSION 50 CENTS; CHILDREN UNDER TEN YEARS OF AGE, AND SERVANTS, HALF PRICE.

RAYMOND & WARING would announce to the citizens of the South, that they will now have an opportunity of seeing the celebrated JOHN SHAFFER & LADY. He has been styled by critics the "Lion King," as he has exposed his life heretofore in subduing the largest and most terrible Lion ever caught; this animal is at present in his possession, and has repeatedly saved his life when exercising the other beasts in the performing cage. His feats have been beheld by millions; he actually drives a Wild Lion, harnessed to a car, thus showing the supreme majesty of man above the brute.

THE WILD TENANTS OF THE FOREST, from the huge and docile Elephant, the majestic Lion of unexplored Africa, the fierce Tiger of the Bengal jungles, the beautiful Leopard, the playful but ferocious Bear, gentle Gazelle, the useful and patient Camel, the curiously striped Zebra, the grave robbing Hyena, the stealthy Panther, the savage Wolf, the cunning Fox, down through all the lesser grades, are here beheld with perfect safety, true to their nature at times, but perfectly subject to the control of man, the lord of creation. FOWLES OF THE AIR AND REPTILES, the most beautiful, rare, varied and dangerous of their species, are also comprised in this valuable collection; description is powerless and space too limited to admit it. Suffice it to say that the proprietors are of the oldest standing and highest celebrity, and have devoted years of toil and expense to the present collection, which is pronounced in Europe and America, perfectly unparalleled. The moral and useful purposes which an exhibition like this can serve, are perceived by all, and acknowledged by all moralists; the exhibition serves to entertain and instruct all in the wonderful works of the Supreme Being, and is particularly impressive on the minds of youth. Nov 29 1848
