I leave a Sister! we have played Through many a joyous hour, Where the silvery green of the olive shade Hung dim o'er fount and bower. Yes, thou and I, by stream, by shore, In song, in prayer, in sleep, Have been as we may be no more-Kind Sister, let me weep!

I leave thee, Father! eve's bright moon Must now light other feet, With the gathered grapes, and lyre in tone, Thy homeward steps to greet. Thou, in whose voice, to bless thy child, Lay tones of love so deep, Whose eyes o'er all my youtl: hath smiled, I leave thee! let me weep!

Mother ! I leave thee ! on thy breast Pouring out joy and wo, I have found that holy place of rest Still changeless-yet I go ! Lips that have lulled me with your strain, Eyes that have watched my sleep; Will earth give love like yours again? Sweet mother! let me weep!

## o Come to the Mountains.

BY WILLIAM WALCUTT. O come to the mountains, There're are hoary and old, And stand up like giants So stately and hold; The dark moss of ages Clings fast to the sides, Where storms spend their lury, And the hurricane rides.

O come to the mountains, They have stood through all time, Have heard ages death toll And great changes chime; They tell you long stories Of earth when 't was young, And legends unchronicled By history's tongue.

O come to the mountains, Their rocky peaks stand Like faithful night watchers, To guard the low land; They catch in their strong arms The chill winter's breath And break the rough tempest From the valley beneath.

PEAYING THE DEVIL .- We were a good deal amused at an ancedote we heard the other day, of a certain preacher whose calling confined him within the limits of old Keutucky. He had preached in his parish many years, and of course run short of the elequence so much needed to keep his hearers awake and asionished. Let him preach ever so well now, it made no difference, they had got used to him and used to sleep ing; and sleep they would, to his great annoyance. At last he hit upon an expedient to bring 'em up standing, as the saying is. He procured a small tin whistle, which he took with him into the pulpit, and after taking his text and "blazing away" until his lungs were sore and his hearers all comfortably dozing and nodding approval to each other, he suddenly drew it forth and gave a shrill toot-a-toot In an instant the whole congregation was awake and upon their feet, staring at the minister. at each other, and wondering what in the name of pickles and human nature, as Sam Slick says, was to come next. "You're a set of smart specimens of humanity, ain't you?" said the divine dent they will find it to their interest JACKSON & KINCHLEY. his astonished assemblage. "When I preach the Gospel to you, you all go to sleep; but the moment I go to playing the devil, you're all wide awake, up and a coming like a rush of hornet with a pole in their nest !"

CUTTING IT SHORT .- A certain barber, who was possessed of great powers of gab," used to amuse his customers with his long yarns while he manipulated their heads and faces. One day an old codger came in, took his seat, and ordered a shave and hair cut. The in this case, I shall sell for eash, at Edgebarber went to work, and began, at the field Court House, on Thursday the 19th same time, one of his long stories, to the no little dissatisfaction of the old gentleman, who, becoming irritated at the barber, said-

"Cut it short." "Yes," sair," said the burber, continuing the yarn until the old centleman to whom, for said Lot, is lost or mislaid, again sang out, "Cut it short !"

"Yes sir,"-clipping away, and gabbling the faster. "Cut it short, cut it short, I say," said

the old gent.

"Yes sir," said the barber, going on

with his story. "Will you cut it short, blast you!" bawled the old gent in a rage. "Can't sir," said the barber, "for if

cut it all off." And to his horror, upon looking in the glass, the old gent found his hair all cut from his head?

'Guilty, or not guilty?' asked the Dutch Justice. 'Not guilty.' 'Den vat you do here ? Go apout your piziness.' March 7, 1849,

HASTING'S COMPOUND SYRUP OF

OT only a positive but a warranted cure for consumption and all diseases of the lungs. This medicine has decided the dispute about the curability of consumption, and satisfied the medical faculty and all who have used it, that consumption and all affections of the lungs can not only be cured, but they are as easily and simply cured, as almost any of the dis-orders to which the fluinan frame is liable.— The operation of a single bottle, which costs \$1, is sufficient to satisfy any patient—if not altogether too far gone with the disease—of this fact; and even a single dose gives evidence of its extraordinary influence in arresting and eradicating the malady by the i.nmediate relief which it affords: This is no quack or secret remedy. Dr. Hastings, its discoverer, is one of the most eminent physicians of the age, and has made a full disclosure of its history, and all its component parts to the world, not wishing to incur the responsibility of confining to himself, for the sake of profit, a secret which was calculated to do such universal good. And such has been the wonderful result of its operations, that the London Lancet, Medical Times, and the most eminent physicians of both hemispheres, are anxiously calling upon suffer ers to have immediate recourse to it, and proclaiming that of all known medicine, it alone has positively established its efficacy by undeniable proofs of curing consumption and all other diseases of the lungs.

DR. TOWNSEND'S COMPOUND EXTRACT OF SARSAPARILLA.

The most extraordinary Medicine in the World. 7-This Extract is put up in quart bottles; t is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening, or debilitating the Patent.

The great beauty and superiority of this Sarsaparilla over all other medicine is, that while it eradicates disease, it invigorates the

body. It is one of the very best SPRING AND SUMMER MEDICININES Ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success, It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the past season.

10,000 Cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the use of medicine or indiscretion comm youth, or the excessive indulgence of the passiens, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease. Consumption, can be entirely restored by this picasant remedy. This Sarsaparilla is far superior to any INVIGORA-TING CORDIAL, as it removes and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cared. Cleanses and Strengthens. Consumption can be cured, Bronchitist, Consumption, Liver com-plaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c. have been and can be cured.

Rheumatis,

This is only one of more than 4,000 cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the fol-

lowing letter: Dr. Townsend, Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, s'eep or walk. I had the utmost distressing pains and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better-indeed, I am entirely relieved. You are

at liberty to use this for the benefit of the af-Yours respectfully, JAMES CUMMINGS. FITS! FITS! FITS!

Dr. Townsend, not having tested his Sarsaparilla in cases of Fitz, of course never recomnended it, and was surprised to receive the following from an intelligent and respectable

Farmer in Westchester county: FORDHAM, Aug. 13, 1857.
Dr. Townrend, Dear Sir-I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success: at last. although we could find no recommendation in our circulars for cases like hers, we tho't as she was in very delicate health, we would give her some of your Saisaparilla, and are very glad we did, for it has not only restored her strength, but she has had no return of J. & S. Bones, & Co. ) DECLARATION | the Fits, to our great pleasue and surprise.

FEMALE MEDICINE!

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barreness, Prolapsus Uteri, or falling of the womb, Piles, Leucorrea, or Whites, obstruction or difficult Menstruration, Incontinence of Urine, or involuntary discharge thereof, and for the general prestration of the system, no matter whether the result of inherent cause, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barreness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us; thousands of cases where families have been without children after using a few bottles of this invaluable medicine, have

for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases judgment will be entered against him.

The Great Remedy for Rheumatism, Gout, Pain in the Side, Hip, Back, Limbs and Joints, Scrofula, King's Evil, White Swellings, Hard Tumors, Stiff Joints, and all Fixed Pains

Where this Plaster is Applied, PAIN CANNOT EXIST.

A gentleman in the South of Europe and Pales ine, in 1830, heard so much said in the latter place in favor of JEW DAVID'S PLAS TER, and of the (as he considered) miraculous cures he had performed, that he was induced to try it on his own person, for a Long and to try it on his own person, for a Long and Liver Affection, the removal of which had been a the chief object of his journey, but which had resisted the genial and delicious clime.

He accordingly applied a plaster on the right

of his chest where the pain was scated, another, between the shoulders, and one over the region of the liver. In the mean time he drank freely of an herb tea of laxative qualities. He soon found his health improving, and in a few weeks his cough left him; the sallowness of his skin disappeared, his pain was removed, and his health became permanently resterated.

The following is from Mr. Worstel, editor of the Massillion Gazette, Ohio,

"Gentlemen-During last winter and spring, I was so troubled with a pain in breast as to render me unfit for the duties of my office; and hearing your JEW DAVID'S or HE-BREW PLASTER highly recommended for similar cases, I was induced to give it a trial. I had worn a plaster upon my breast but a short time, when all pain left me, and I was enabled again to engage in the labors of the office. I would also state, that my sister, residing in Steubenville in this State, has received much benefit from its use.

Yours, truly, J. P. Masillon, Nov. 12, 1843. J. P. WORSTELL"

It has been very beneficial in cases of Weak ness, such as Pain and Weakness in the stomach, Weak Limbs, Lameness, Affection of the Spine, Female Weakness, &c. No female. subject to pain or weakness in the back or sides, should be without it. Married ladies in delicate situations, find great relief from constantly wearing this plaster.

The application of the Plaster between the shoulders has been found a certain remedy for Colds, Goughs, Phthisic and Lung Affections, in their primary stages. It destroys inflammaion by perspiration.

A REMARKABLE CURE OF CONSUMPTION. Mr. Scoull-I was taken with a most distressing cough, and my lungs became so dis-eased that I bled in a short time several quarts. I was reduced so low that all of my friends, and even my physicians, thought I must die of Consumption! My brother hearing of the remarkable cures made by Dr. Roger's Liverwort and Tar, procured a bottle, and before I had taken one half of it, it seemed to go to the very seat of the disease. I raised a large quantity of phlegm and matter, and my cough was

stopped as by a charm. And by its use I was restored to perfect health.

[From Dr. Wilson.]

I have been the family physician of Mr. Wiseman for the last twelve years; during that time Mrs Wiseman has been suffering from diseased lungs. And finally all the symptom toms of Pulmonary Consumption appeared.
All the usual remedies failed. At this time she commenced using Dr. Rodger's Liverwort and Tar. It acted like a charm. In a few days she declared herself nearly well. I have no doubt of its virtues, and would cheerfully recommend it to persons afflicted with disensed H. R. WILSON, M. D.
