

**PROSPECTUS OF THE NEWBERRY PALLADIUM.**  
THE undersigned propose publishing in the Town of Newberry, S. C., a Weekly Newspaper, bearing the above title; and in this issue our Prospectus to the people of Newberry District, we feel assured, from the spirit of her citizens, that we will receive a substantial support. We also feel that they are aware of the advantages to be derived from having a Newspaper published in their midst.

Relying on the people of Newberry, and the South generally, for their patronage and support, our exertions will be to make the Palladium second to no *Herald* published in the South. It will also be our endeavor to make the Palladium a paper that will at once supply the reading wants of the people—to effect which, neither expense or labor will be spared. No effort on our part will be wanting to keep our readers furnished with copious statistics of the Trade and Resources of the South and West, and keep them informed as to the state of the industrial interests of the country generally. The interests of the South will ever be strongly advocated through our columns, with a strong adherence to all those Democratic Principles which South Carolina has ever so firmly maintained.

The Literature, Mercantile and Scientific Resources of Intelligence, now already at our command, are fully equal to those enjoyed by any weekly paper in the South, and our endeavors will ever be to retain and add largely to the same. While, therefore, we appeal to the South for the support of the Palladium, as a paper devoted to Southern interests, our constant aim will be to merit that support.

The Palladium will be printed on a sheet 22 by 32 inches, embracing twenty-four columns of matter, and will be issued as soon as a sufficient number of subscribers are obtained to warrant the undertaking.

Terms.—The Palladium will be published weekly, at two dollars per annum, in advance, two dollars and fifty cents if paid within six months, and three dollars after that time and within the year, and will be conducted under the firm of **Wheat & Holland.**

H. D. WRAY,  
H. L. HOLLAND.

All letters of business will, for the present, be directed to Frazer'sville P. O., Abbeville District, S. C.

**HASTING'S COMPOUND SYRUP OF NAPHTHA.**

**NOT** only a positive but a warranted cure for consumption and all diseases of the lungs. This medicine has decided the dispute about the curability of consumption, and satisfied that consumption and all affections of the lungs can not only be cured, but they are easily and simply cured, as almost any of the disorders to which the human frame is liable.—The operation of a single bottle, which costs \$1, is sufficient to satisfy any patient—if not altogether too far gone with the disease—of this fact; and even a single dose gives evidence of its extraordinary influence in arresting and eradicating the malarial by the immediate relief which it affords. This is no quick or secret remedy. Dr. Hastings, its discoverer, is one of the most eminent physicians of the age, and has made a full disclosure of its history, and all its component parts to the world, not wishing to incur the responsibility of confining to himself, for the sake of profit, a secret which was calculated to do such universal good. And which has been the wonderful result of its operations, that the London Lancet, Medical Times, and the most eminent physicians of both hemispheres, are anxiously calling upon sufferers to have immediate recourse to it, and proclaiming that of all known medicine, it alone has positively established its efficacy by undeniable proofs of curing consumption and all other diseases of the lungs.

**DR. TOWNSEND'S COMPOUND EXTRACT OF SARSAPARILLA.**

**The Great Remedy for Rheumatism, Gout, Pain in the Side, Hip, Back, Limbs and Joints, Scrofula, King's Evil, White Swellings, Hard Tumors, Stiff Joints, and all Fixed Pains whatever.**

**Where this Plaster is Applied, PAIN CANNOT EXIST.**

A gentleman in the South of Europe and Palermo, in 1830, heard so much said in the latter place in favor of JEW DAVID'S PLASTER, and of the (as he considered) miraculous cures he had performed, that he was induced to try it on his own person, for a Long and Liver Affection, the removal of which had been the chief object of his journey, but which had resisted the genial and delicious climate.

He accordingly applied a plaster on the right of his chest where the pain was seated, another between the shoulders, and one over the region of the liver. In the mean time he drank freely of an herb tea of laxative qualities. He soon found his health improving, and in a few weeks his cough left him; the sallowness of his skin disappeared, his pain was removed, and his health became permanently reestablished.

The following is from Mr. Worstell, editor of the Massillon Gazette, Ohio.

"Gentlemen—During last winter and spring, I was so troubled with a pain in breast as to render me unfit for the duties of my office; and hearing your JEW DAVID'S OR HEBREW PLASTER highly recommended for similar cases, I was induced to give it a trial. I had worn a plaster upon my breast, but a short time, when all pain left me, and I was enabled again to engage in the labors of the office. I would also state, that my sister, residing in Steubenville in this State, has received much benefit from its use.  
**Yours, truly, J. P. WORSTELL.**  
Massillon, Nov. 12, 1843.

It has been very beneficial in cases of Weakness, such as Pain and Weakness in the stomach, Weak Limbs, Lameness, Affection of the Spine, Female Weakness, &c. No female, subject to pain or weakness in the back or sides, should be without it. Married ladies in delicate situations, find great relief from constantly wearing this plaster.

The application of the Plaster between the shoulders has been found a certain remedy for the Colds, Goughs, Phthisis and Lung Affections, in their primary stages. It destroys inflammation by perspiration.

**BEWARE OF COUNTERFEITS!**

**CAUTION.**—The Subscribers are the only General Agents in the Southern States for the sale of this truly valuable Plaster; and in order to prevent purchasers being imposed upon by a counterfeit article, sold in this city and elsewhere, for the genuine, they invite particular attention to the following marks of the Genuine:—1st.—The genuine is put up in smooth, engine turned bottomed boxes, not soldered in. 2d.—The genuine has the engraved head of Jew David on the directions, around the box, with accompanying record of Court to E. **Mr. A. L. Cincinnati, Nov. 5, 1844. **J. FINCH.**

From the Hon. Judge William Burke, late Postmaster of the city of Cincinnati for more than twenty years.  
The statement of Justice Finch is entitled to the fullest confidence of the public. I can fully corroborate what he has said, having used the medicine myself with the most decided benefit.  
**WILLIAM BURKE.**  
Cincinnati, Aug. 12, 1845.

**A** REMARKABLE CURE OF CONSUMPTION.  
**Mr. Scovill.**—I was taken with a most distressing cough, and my lungs became so diseased that I bled in a short time several quarts. I was reduced so low that all of my friends, and even my physicians, thought I must die of Consumption! My brother hearing of the remarkable cures made by Dr. Roger's Liverwort and Tar, procured a bottle, and before I had taken one half of it, it seemed to go to the very seat of the disease. I raised a large quantity of phlegm and matter, and my cough was stopped as by a charm. And by its use I was restored to perfect health.  
**GABRIEL WHITEHEAD.**

**H. E. SPENCER,** Mayor of Cincinnati.  
[Extract from a Letter from the Rev. Henry Wiseman.]

**Mr. A. L. Scovill.**—As Dr. Roger's Liverwort and Tar has been the means of snatching my companion from a premature grave! I feel under the obligation to give my influence to the circulation of no valuable medicine.  
**HENRY WISEMAN.**  
Patriot, Gallia co., O., Dec. 23, 1846.

[From Dr. Wilson.]  
I have been the family physician of Mr. Wiseman for the last twelve years; during that time Mr. Wiseman has been suffering from diseased lungs. And finally all the symptoms of Pulmonary Consumption appeared. All the usual remedies failed. At this time she commenced using Dr. Roger's Liverwort and Tar. It acted like a charm. In a few days she declared herself nearly well. I have no doubt of its virtues, and would cheerfully recommend it to persons afflicted with diseased lungs.

**DR. TOWNSEND'S COMPOUND EXTRACT OF SARSAPARILLA.**

**The most extraordinary Medicine in the World.**—This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening, or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other medicines, is that while it eradicates disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES Ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine.
