A gentleman in the South of Europe and Pales ine, in 1830, heard so much said in the latter place in favor of JEW DAVID'S PLAS-F this District, on the 9th instant, a TER, and of the (as he considered) miraculans cures be had performed, that he was induced RETT, and that he belongs to Mr. Benjamin to try it on his own person, for a Long and Liver Affection, the removal of which had been the chief object of his journey, but which had

resisted the genial and debelows chine.

He accordingly applied a plaster on the right between the shoulders, and one over the regio of the liver. In the mean time he drank freely of an herb tea of laxative qualities. He soon iound his health improving and in a few weeks his cough left him; the sallowness of his skin disappeared, his pain was removed, and his health became permanently renerated.

The following is from Mr. Worstel, editor of the Massillion Gazette, Ohio.

"Gentlemen - During last winter and spring I was so troubled with a pain in breast as to render me unfit for the duties of my office and hearing your JEW DAVID'S or HE-BREW PLASTER highly recommended to similar cases, I was induced to give it a trial. I had worn a plaster upon my breast but a shor S. C. DR. TOWNSEND'S COMPOUND EXTRACT OF SARSAPARILLA,

The most extraordinary Medicine in the World. (3-This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening, or debilita-

ting the Patent. The great beauty and superiority of this Sarsaparilla over all other medicine is, that while it cradicates disease, it invigorates the

gody. It is one of the very best SPRING AND SUMMER MEDICININES Ever known; it not only parifies the whole system, and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success.
It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the past season.

10,000 Cases of General Debility and want of Nervous Energy.

Dr. Townsend's Satsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the use of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, has:ening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any INVIGORA-TING CORDIAL, as it removes and invigo rates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanses and Strengthens Consumption can be cured, Bronchitist, Consumption, Liver complaint, Colds, Catarrh Coughs, Asthma, Suitting of Blood, Soreness in the chest, Heetic Flush, Night Secats, Difficult or Profuse Ex-pectoration, Pain in the Side, &c. have been and can be cured.

Ehemmatis.

This is only one of more than 4,000 cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assis tants in the Lunatic Asylum, Blackwell's Island, is the gentleman speken of in the following letter:

Dr. Townsend, Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, s'ee p or walk. I had the utmost distressing pains and my limbs were terribly swollen. I have with a most distressing Congh, until my Lungs used four bottles of your Sarsapavilla, and they have done me more than one thousand they have done me more than one thousand dollars worth of good. - I am so much better-indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully,

JAMES CUMMINGS. FITS! FITS! FITS!

Dr. Townsend, not having tested his Sarsaparilla in cases of Fitz, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester county:

FORDHAM, Aug. 13, 1857.
