

From the London Weekly Times.

The World is full of Beauty.

There is a voice within me, And 'tis so sweet a voice, That its soft lipings win me, Till tears start to mine eyes; Deep from my soul it springeth, Like hidden melody; And ever more it singeth, This song of songs to me— "The world is full of beauty, As other worlds above; And if we did our duty, It might be full of love!"

If faith and loving kindness Passed coin 'twixt heart and heart, Old Bigotry's dark blindness And malice would depart. If men were more forgiving, Were kind words oft'ner spoken, Instead of scorn so grieving, There would be few heart-broken. When plenty's round us smiling, Why waxes this cry for bread? Why are crush'd millions toiling, Gaunt—clothed in rags—unfed?

The sunny hills and valleys Blush ripe with fruit and grain, But the lordling in the palace Still robs his fellow men. O God! what host are trampled Amid this press of gold, What noble hearts are sapped of life, What spirits lose their hold! And yet upon this God-blessed earth The sun's room for every one: Ungarn'd food still ripens, To waste, not in the sun; For the world is full of beauty, As other worlds above; And if we did our duty, It might be full of love!

Let the law of bloodshed perish, Wars, gore and glory, splendor— And men will learn to cherish Feelings more kind and tender. Were we true unto each other, We'd vanquish Hate and Crime, And clasp the hand of a brother, In any land or clime! If gold were not an idol, Were mind and merit worth, O, there would be a bridal Betwixt high heaven and earth!

Were truth our utter'd language, Angels might talk with men, And God illum'd earth should see The golden age again. For the leaf-tongue of the forest— The flower-lips of the sod— The birds that hymn their raptures Into the ear of God— And the sweet wind that bringeth The music of the sea, Have each a voice that singeth This song of songs to me— "This world is full of beauty, As other worlds above; And if we did our duty, It might be full of love."

Sour Grapes.—Here is a little story, which, it is said, General Greene, of Rhode Island, used to relate to disappointed applicants for office. Perhaps it may not be without an application at the present day. A field slave in the South, to whom meat was a rare blessing, one day found in his trap a plump rabbit. He took him out alive, held him under his arm, patted him, and began to speculate on his qualities.—"Oh! how fat; berry fat. De fatter I ever did see! Let's see how I cook him. I roast him? No, he so berry fat he lose all he grease. I fry him? He so berry fat he fry himself. Golly! how fat he be, No, I won't fry him; I stew him."

The thought of the savory stew made the negro forget himself, and in spreading out the feast in his imagination, his arm relaxed, when off hopped the rabbit, and squatting at a goodly distance, he eyed his late owner with great composure. The negro knew there was an end of the matter, and summoning all his philosophy, he thus addressed the rabbit, shaking his fist at him all the time: "You long-eared, white-whiskered, red-eyed son of a gun, you no so berry fat, arter all, noder!"

A Kiss.—A kiss is thus defined in a love-letter, written in the year 1679, and translated from the German: "What is a kiss? A kiss is, as it were, a seal, expressing our sincere attachment; the pledge of our future union; a dumb, but at the same time, audible language of a loving heart; a present, which at the time it is given, takes from us the impression of an ivory coral press; a crimson balsam for a wounded heart, a sweet bite of the lips, an affectionate pinching of the mouth; a delicious dish which is eaten with a scarlet spoon, a sweet-meat which does not satisfy our hunger; a fruit which is planted and gathered at the same time; the quickest exchange of questions and answers of two lovers—the fourth degree of love."

A colored servant, sweeping out a bachelor's room, found a sixpence on the carpet, which he carried to its owner. "You may keep it for your honesty," said he. Shortly after he missed his gold pencil case, and inquired of his servant if he had seen it. "Yes, sir," was the reply. "And what did you do with it?" "Kept it for my honesty sir."

"Look here, Pete," said a knowing darkey, "don't stand dar on de railroad!" "Why, Joe?" "Kase if de cars sees dat mouf ob yours dey tink it an do depo' and run rite in."

He that bath feathered his nest may flee when he likes.

J. FINCH. Cincinnati, Nov. 5, 1844.

From the Hon. Judge William Burke, late Postmaster of the city of Cincinnati for more than twenty years. The statement of Justice Finch is entitled to the fullest confidence of the public. I can fully corroborate what he has said, having used the medicine myself with the most decided benefit. WILLIAM BURKE. Cincinnati, Aug. 19, 1845. A REMARKABLE CURE OF CONSUMPTION. Mr. Scovill—I was taken with a most distressing cough, and my lungs became so diseased that I bled in a short time several quarts. I was reduced so low that all of my friends, and even my physicians, thought I must die of consumption. My brother hearing of the remarkable cures made by Dr. Roger's Liverwort and Tar, procured a bottle, and before I had taken one half of it, it seemed to go to the very seat of the disease. I raised a large quantity of phlegm and matter, and my cough was stopped as by a charm. And by its use I was restored to perfect health. GABRIEL WHITEHEAD. Sworn to and subscribed this 26th Nov. 1847. H. E. SPENCER, Mayor of Cincinnati. [Extract from a Letter from the Rev. Henry Wiseman.] Mr. A. L. Scovill—As Dr. Roger's Liverwort and Tar has been the means of snatching my companion from a premature grave! I feel under the obligation to give my influence to the circulation of so valuable a medicine. HENRY WISEMAN. Patriot, Gallia co., O., Dec. 23, 1846. [From Dr. Wilson.] I have been the family physician of Mr. Wiseman for the last twelve years; during that time Mrs. Wiseman has been suffering from diseased lungs. And finally all the symptoms of Pulmonary Consumption appeared. All the usual remedies failed. At this time she commenced using Dr. Roger's Liverwort and Tar. It acted like a charm. In a few days she declared herself nearly well. I have no doubt of its virtues, and would cheerfully recommend it to persons afflicted with diseased lungs. H. R. WILSON, M. D. DR. TOWNSEND'S

COMPOUND EXTRACT OF

SARSAPARILLA,

The most extraordinary Medicine in the World. This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening, or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES Ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the past season.

10,000 Cases of General Debility and want of Nervous Energy. Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the use of medicine or discretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any INVIGORATING CORDIAL, as it removes and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured. Cleanses and Strengthens. Consumption can be cured. Bronchitis, Consumption, Liver complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c. have been and can be cured.

Rheumatism. This is only one of more than 4,000 cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues. James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter: Dr. Townsend, Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the most distressing pains and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla; and they have done me more than a thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS.

FITS! FITS! FITS! Dr. Townsend, not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester county: FORDHAM, Aug. 13, 1857. Dr. Townsend, Dear Sir—I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; I have, although we could find no recommendation in our circulars for cases like hers, we thought as she was in very delicate health, we would give her some of your Sarsaparilla; and we very glad we did, for it has not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fast becoming plump and healthy; for which we feel grateful. Yours, respectfully, JOHN BUTLER, Jr.

FEMALE MEDICINE! Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or falling of the womb, Piles, Leucorrhoea, or Whites, obstruction or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system; no matter whether the result of inherent cause, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed; but we can assure the afflicted, that hundreds of cases have been reported to us; thousands of cases where families have been without children after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

Great Blessing to Mothers and Children. It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, and those who have used it, think it is indispensable. It is highly useful both before and after confinement, as it prevents disease attendant upon childbirth. In Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhages, &c. and in regulating the Secretions and equalizing the circulation it has no equal. The great beauty of this Medicine is, it is always safe, and the most delicate use it most successfully.

OPINIONS OF PHYSICIANS. Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union. This is to certify that we, the undersigned Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market. H. P. PULING, M. D. J. WILSON, M. D. R. B. BAIGES, M. D. P. E. EMMENDORF, M. D. Albany, April 1, 1847. CAUTION. Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shape bottles, and some of them have stole and copied our advertisements; they are only worthless imitations and should be avoided. For sale in Edgefield at the DRUG AND GENERAL STORE by G. L. PENN, March 14, 1849 1y 8 Agent.
