LIVER COMPLAINT,

JAUNDICE, DYSPEPSIA, CHRONIC OR NERVOUS DEBILITY, DISEASE

OF THE KIDNEYS, And all discases arising from a disordered Liver or Stomach in both

Male and Female :

Such as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach Nausen, Heart-burn, Disgust for Food. Full-ness or weight in the Stomach, Sour Ernetations, Sinking or Fluttering at the pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Sufficating sensations when in a lying posture, Dimnes of Vision, Dots or webs before the Sight, Fever and dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, &c., Sudden flashes of Heat, Burning in the Flesh, Constant Imaginings of evil and great depression of Spirits can be effectually cured by

DR. HOOFLAND'S Celebrated German Bitters.

Their power over the above diseases is not excelled-if equalled-by any other prepara-tion in the United States as the cures attest, in many cases after skillful physicians had failed. Derangement of the Liver and Stomach are sources of Insanity, and will also produce dis-case of the Heart, Skin, Lungs and Kidneys, and lays the body open to an attack of the Cholera, Bilious, or Yellow Fever, and is gen-

erally the first cause of that most baneful discase, Cossumption. Opinions of the Philadelphia Press.

"THE DISPATCH," December 31st says :-

AN INVALUABLE MEDICINE .--- We have frequently heard the Celebrated German Bitters, manufactured by Dr. Hoofland, spoken of in terms of commendation, and we know deservedly so. It is a too common practice, in certain quarters, to puff all manner of useless trash, but in the case of the above Bitters, hundreds are living witnesses of their great moral and physical worth. As a medicine for the Liver Complaint, Janudice, Nervous Debility and Dyspepsia, it has been found invaluable, effecting cures and thoroughly eradicating dis-cases, when all other medicines have failed.— We fell convinced, that in the use of the German Bitters, the patient does not become debil-

itated, but constantly gains strength and vigor to the frame-a fact worthy of great consideration. The Bitters are pleasant in taste and smell, and can be ediministered under any cirsmell, and can be commissive inder any con-cumstances, to the most delicate stomach. Iu-doed, they cumule used by all persons with the most perfect safety. It would be well for those who are much affected in the veryous system, to commence with one teaspoonful or less, and gradually increase. We speak from experience, and are of course, a proper judge. The press far and wide, have united in recommending the German Bitters, and to the afflicted we most cordially advise their use.

"SPIRIT OF THE TIMES,"

June 24th says :-"DO OUR GOOD CITIZENS who are invalids, know the many astonishing cures that have peen performed by Dr. Hoatland's Cele-brated German Bitters? If they do not, we recommend them to the "German Medicine Levi Adams.
