ANODYNE CORDIAL,
FOR THE RELIEF & CURE OF
Diarrhoea & Dysentery.
This valuable preparation needs but
the trial of a single bottle to prove its efficacy in
Diarrhoea and Dysentery. It is as mild and
safe a remedy for nursing infants, as for adults.
During the present Cholera time, when any
approach to Diarrhoea, should be immediately
checked, the Anodyne Cordial should be in every
family.

Here are a few recommendations of this
Medicine, others could be obtained but we trust
the Public will judge these all sufficient to induce
a trial of the Cordial.

Price 50 cents a Bottle—Money returned if
the remedy prove useless.

Edgefield C. H. 23d July, 1849.
"This will certify that I used the Anodyne Cordial
in an alarming case of Diarrhoea in my family
with complete success—and I believe
this Cordial to be one of the best remedies ever
invented for the cure of this disease."

DANIEL ABBEY,
Edgefield C. H. 16th July, 1849.
"This may certify that I had a Diarrhoea of one
week's standing, cured by 3 or 4 doses of Doct.
Chase's Anodyne Cordial."

S. COVAR,
July 23d 1849.
"I purchased a bottle of Anodyne Cordial of
Doct. Chase, and used it with good success in
my family."

MARSHAL FRAZIER,
This certifies that I have used the Anodyne
Cordial in a number of cases of Diarrhoea in
my family during the last year with unvariable
success, and I cordially recommend the remedy
to others.
July 16th 1849. J. D. TIBBETTS.

FROM THE LATE PASTOR OF THE EPISCOPAL
CHURCH.

To whom it may concern—Last summer I
was afflicted with a troublesome Diarrhoea and
made use of a small quantity of Doct. Chase's
Anodyne Cordial, and I hesitate not to state,
I think the remedy a valuable one.

LIVER COMPLAINT,
JAUNDICE, DYSPEPSIA, CHRONIC OR
NERVOUS DEBILITY, DISEASE
OF THE KIDNEYS,

And all diseases arising from a disor-
dered Liver or Stomach in both
Male and Female:

Such as Constipation, Inward Piles, Fullness
or Blood to the Head, Acidity of the Stomach,
Nausea, Heart-burn, Disgust for Food, Full-
ness or weight in the Stomach, Sour Eructa-
tions, Sinking or Fluctuating at the pit of the
Stomach, Swelling of the Head, Head-
ache, Difficulty of Breathing, Fluctuating at the Heart,
Choking or Suffocating sensations when in a
lying posture, Dimness of Vision, Darts or webs
before the Sight, Fever and dull pain in the
Head, Deficiency of Perspiration, Yellowness
of the Skin and Eyes, Pain in the Side, Back,
Chest, &c., Sudden flushes of Heat, Burning
in the Flesh, Constant Imaginations of evil and
great depression of Spirits can be effectually
cured by

DR. HOOFLAND'S
Celebrated German Bitters.

Their power over the above diseases is not
excelled—if equalled—by any other prepara-
tion in the United States as the crues attest, in
many cases after skillful physicians had failed.
Derangement of the Liver and Stomach are
sources of Insanity, and will also produce dis-
eases of the Heart, Skin, Lungs and Kidneys,
and lay the body open to an attack of the
Cholera, Bilious, or Yellow Fever, and is gener-
ally the first cause of that most baneful dis-
ease, CONSUMPTION.

Opinions of the Philadelphia Press.
"THE DISPATCH,"

December 31st says:—
"AN INVALUABLE MEDICINE.—We
have frequently heard the Celebrated German
Bitters, manufactured by Dr. Hoofland, spoken
of in terms of commendation, and we know
deservingly so. It is a too common practice, in
certain quarters, to puff all manner of useless
trash, but in the case of the above Bitters, hun-
dreds are living witnesses of their great moral
and physical worth. As a medicine for the
Liver Complaint, Jaundice, Nervous Debility
and Dyspepsia, it has been found invaluable,
effecting cures and thoroughly eradicating dis-
eases, when all other medicines have failed.—
We feel convinced, that in the use of the Ger-
man Bitters, the patient does not become debili-
tated, but constantly gains strength and vigor
to the frame—a fact worthy of great considera-
tion. The Bitters are pleasant in taste and
smell, and can be administered under any cir-
cumstances, to the most delicate stomach. In-
deed, they can be used by all persons with the
most perfect safety. It would be well for those
who are much affected in the venous system,
to commence with one teaspoonful or less, and
gradually increase. We speak from experi-
ence, and are of course, a proper judge. The
press far and wide, have united in recommend-
ing the German Bitters, and to the afflicted we
most cordially advise their use."

Can stronger testimony be adduced by any
Preparation before the public? A single bottle
will convince any one of their power over dis-
ease. They are entirely Vegetable, and will
permanently destroy the most obstinate costic-
ness; and give strength and vigor to the frame,
at no time debilitating the patient; being also
grateful to the most delicate stomach under any
circumstances, and can be administered with
perfect safety to delicate infants—they are free
from Alcohol, Syrup, Acids, Calomel, and all
mineral and injurious ingredients.

**HASTING'S COMPOUND SYRUP OF
NAPHTHA.**

NOT only a purgative but a warranted cure
for consumption and all diseases of the
lungs. This medicine has decided the dispute
about the curability of consumption, and satis-
fied the medical faculty and all who have used it,
that consumption and all affections of the
lungs can not only be cured, but they are as
easily and simply cured, as almost any of the
orders to which the human frame is liable.—
The operation of a single bottle, which costs
\$1, is sufficient to satisfy any patient—if not al-
together ton far gone with the disease—of this
fact; and even a single dose gives evidence of
its extraordinary influence in arresting and
eradicating the malady by the immediate relief
which it affords. This is no quick or secret
remedy. Dr. Hastings, its discoverer, is one of
the most eminent physicians of his age, and all
his component parts to the world, not wishing
to incur the responsibility of confining him-
self for the sake of profit, a secret which was
calculated to do such universal good. And
such has been the wonderful result of its opera-
tions, that the London Lancet, Medical
Times, and the most eminent physicians of both
hemispheres, are anxiously calling upon suffer-
ers to have immediate recourse to it, and pro-
claiming that of all known medicines, it alone
has positively established its efficacy by unde-
niable proofs of curing consumption and all other
diseases of the lungs.
