#### ANODYNE CORDIAL, FOR THE RELIEF & CURE OF

Diarrhoea & Dysentery. 'THIS valuable preparation needs but the trial of a single bottle to prove its efficacy in Diarrhoea and Dysentery. It is as mild and safe a remedy for nursing infants. as for adults During the present Cholera times, when any approach to Diarrhoea, should be immediately thecked, the Ancdyne Cordist should be in every family.

Here are a few recommendations of this Medicine, others could be obtained but we trust the Public will judge these all sufficient to induce a trial of the Cordial.

Price 50 cents a Bottle-Money returned if the remedy prove useless.

Edgefield C. H. 23d July, 1849. This will certify that I used the Anodyne Cor dial in an alarming case of Diarrhoea in my family with complete success-and I believe this Cordial to be one of the best remedies even

Where this Plaster is Applied, PAIN CANNOT EXIST.

A gentleman in the South of Europe and Pales ine, in 1830, heard so much said in the latter place in favor of JEW DAVID'S PLAS-TER, and of the (as he considered) miraculous cures he had performed, that he was induced to try it on his own person, for a Long and Liver Affection, the removal of which had been the chief object of his journey, but which had resisted the genial and delicious clime.

He accordingly applied a plaster on the right of his chest where the pain was seated, another between the shoulders, and one over the region of the liver. In the mean time he drank freely of an herb tea of laxative qualities. He soon found his health improving, and in a few weeks his cough left him; the sallowness of his skin disappeared, his pain was removed, and his health became permanently resterated.

The following is from Mr. Worstel, editor of the Massillion Gazette, Ohio,

"Gentlemen-During last winter and spring. I was so troubled with a pain in breast as to render mo unfit for the duties of my office and hearing your JEW DAVID'S or HE-BREW PLASTER highly recommended for similar cases, I was induced to give it a trial. I had worn a plaster npon my breast but a short time, when all pain left me, and I was concled again to engage in the labors of the office. 1 would also state, that my sister, residing in Stenbenville in this State, has received much

benefit from its use.

Yours, truly, J. P. WORSTELL." Masilion, Nov. 12, 1843. It has been very beneficial in cases of Weak ness, such as Pain and Weakness in the stom-ach. Weak Limbs, Lanneness, Affection of the Spine, Female Weakness, &c. No female, subject to pain or weakness in the back or sides, should be without it. Married ladies in delicate situations, find great relief from constantly wearing this plaster. The application of the Plaster between the

shoulders has been found a certain remedy for Colds, Goughs, Phthisic and Lung Affections. in their primary stages. It destroys inflammation by perspiration.

December 31st says :--

AN INVALUABLE MEDICINE .--- We have frequently heard the Celebrated German Bitters, manufactured by Dr. Hoofland, spoken of in terms of commendation, and we know deservedly so. It is a too common practice, in certain quarters, to puff all manner of useless trash, but in the case of the above Bitters, hundreds are living witnesses of their great moral and physical worth. As a medicine for the Liver Complaint, Jaundice, Nervous Debility and Dyspepsia, it has been found invaluable, effecting cures and thoroughly eradicating dis-cases, when all other medicines have failed.— We full convinced, that in the use of the German Bitters, the patient does not become debil-itated, but constantly gains strength and vigor to the frame-a fact worthy of great considera-tion. The Bitters are pleasant in taste and smell, and can be udministered under any circumstances, to the most delicate stomach. Indeed, they can be used by all persons with the most perfect safety. It would be well for those who are much affected in the vervous system, to commence with one teaspoonful or less, and gradually increase. We speak from experience, and are of course, a proper judge. press far and wide, have united in recommendng the German Bitters, and to the afflicted we most cordially advise their use. If they do not, we recommend them to the "German Medicine Store," all who are afflicted with Liver Complaint, Jaundice, Dyspepsia, or Nervous Debility, the Doctor has cured many of our citizens after the best physicians had failed.
