Genuine Cod Liver Oil.

JUST received a supply of this valuable article recently brought into such extensive use by its astonishing effects in pulmonary and other diseases. It is reported by one physician, (Dr. Williams, of N. Edgefield Female Institute.

MR. ROBERT H. NICHOLS, who has for the last three years in charge of the Fuller Institute, Greenwood, Abbeville District, and who has accepted the unanimous invitation of the Trustees of the Edgefield Female Institute, to become the RECTOR of that Institution, feels much pleasure in announcing this arrangement to the public and especially to his numerous patrons in Edgefield District.

It is his intention, on the second Monday in January next, to open a school in Edgefield Village, wherein every accomplishment, Literary, Scientific, and Ornamental, necessary to a useful female education, may be acquired, and whereby parents may be spared the expense of sending their daughters to those distances from home, which are always sources of pain and often prejudicial.

An experience of more than twenty-five years in his profession, has matured his plans, and given him a thorough knowledge of the characters and requirements of youth, - his discipline is strict but parental - motives of duty and affection, are the inducements to study which he inculcates, and his system is rather to enlarge the mind, than to overburden memory - useful knowledge, has entire precedence of that which is ornamental, and the elementary branches of education, are thoroughly instilled, before advanced studies are permitted. Every accomplishment is, however, carried to its highest grade, and aided by superior and numerous Assistants, all necessary musical instruments and philosophical apparatus, he trusts he may receive a continuance of that liberal patronage, which he has for years enjoyed in Edgefield, Abbeville, Laurens, and Newberry Districts.

The RECTOR refers to the Advertisement of the Trustees, and to the following gentlemen: Gov. DAVID JOHNSON, Hon. W. J. GRAYSON, Col. F. H. ELMORE, Dr. WM. MOBLEY, Col. L. H. HUNDS, Dr. JOHN NICHOLSON, Messrs JEFFERS, COCHRAN & Co. &c. A prospectus of Plans, Instructions, and Terms, will shortly be published. Edgefield C. H., Nov. 8, 1849. The Southern Baptist, Temperance Advocate, Hamburg Republican and Laurensville Herald, will please insert weekly until January, and forward their accounts to this office. Nov. 14, 7t 43

Edgefield Female Institute.

THE TRUSTEES of the Institution, anxious to elevate its character and usefulness, have recently purchased a large and commodious lot of land within the town, upon which they have erected suitable buildings, and now announce to the public, that they have secured the services, as Rector and General Instructor, of Mr. ROBERT H. NICHOLS. The Institute will be opened on the First Monday in January next. Mr. NICHOLS, has had many years experience in his profession. - Was Professor in Jefferson College, Louisiana, - has recently taught with great success, at Greenwood, and has been induced to take charge of this Institution, with a view to a permanent abode amongst us.

The Trustees confidently state, that every facility to a complete and finished Female Education, will be afforded at this Institution, and most earnestly appeal to the public generally, and particularly to the citizens of Edgefield District, to give it their aid and patronage. Excellent board can be obtained at reasonable rates in the town and its vicinity. Instruction in Music, Drawing, Painting, Embroidery, &c., will be connected with the Institution. The rates of Tuition, will be reasonable. These, with the regulation of the Sessions, and other matters, will be published in due time. N. L. GRIFFIN, F. H. WARDLAW, EDMUND PENN, R. T. MIMS, S. F. JEW DAVID'S OR HEBREW PLASTER

The Great Remedy for Rheumatism, Gout, Pain in the Side, Hip, Neck, Limbs and Joints, Scrupula, King's Evil, White Swellings, Hard Tumors, Stiff Joints, and all Fixed Pains whatever.

Where this Plaster is Applied, PAIN CANNOT EXIST.

A gentleman in the South of Europe and Palestine, in 1830, heard so much said in the latter place in favor of JEW DAVID'S PLASTER, and of the (as he considered) miraculous cures he had performed, that he was induced to try it on his own person, for a Long and Liver Affection, the removal of which had been the chief object of his journey, but which had resisted the genial and delicious climate. He accordingly applied a plaster on the right of his chest where the pain was seated, another between the shoulders, and one over the region of the liver. In the mean time he drank freely of an herb tea of laxative qualities. He soon found his health improving, and in a few weeks his cough left him; the swellingness of his skin disappeared, his pain was removed, and his health became permanently re-established.

The following is from Mr. Worstell, editor of the Massillon Gazette, Ohio. "Gentlemen - During last winter and spring, I was so troubled with a pain in breast as to render me unfit for the duties of my office; and hearing your JEW DAVID'S OR HEBREW PLASTER highly recommended for similar cases, I was induced to give it a trial. I had worn a plaster upon my breast but a short time, when all pain left me, and I was enabled again to engage in the labors of the office. I would also state, that my sister, residing in Steubenville in this State, has received much benefit from its use." J. P. WORSTELL, Massillon, Nov. 12, 1843.

It has been very beneficial in cases of Weakness, such as Pain and Weakness in the stomach, Weak Limbs, Lassness, Affection of the Spine, Female Weakness, &c. No female, subject to pain or weakness in the back or sides, should be without it. Married ladies in delicate situations, find great relief from constantly wearing this plaster. The application of the Plaster between the shoulders has been found a certain remedy for Colds, Coughs, Plethia and Lung Affections, in their primary stages. It destroys inflammation by perspiration.

BEWARE OF COUNTERFEITS!

CAUTION - The Subscribers are the only General Agents in the Southern States for the sale of this truly valuable Plaster; and in order to prevent purchasers being imposed upon by a counterfeit article, sold in this city and elsewhere, for the genuine, they invite particular attention to the following marks of the Genuine: 1st - The genuine is put up in smooth, engine turned button boxes, not soldered in. 2d - The genuine has the engraved head of Jew David on the directions, around the box, with accompanying record of Court to E. Taylor, Rochester. J. P. SCOVILL & MEAD, Chartres Street, Wholesale General Agents for the Southern States, to whom all orders must be addressed. G. L. PENN, Agent Edgefield Court House, S. C., also, by HAVILAND & RISLEY, and J. BARNETT & CO., Augusta, Georgia. Feb 14, 1849.

DR. TOWNSEND'S COMPOUND EXTRACT OF SASSAPARILLA,

The most extraordinary Medicine in the World. This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening, or debilitating the Patient. The great beauty and superiority of this Sarsaparilla over all other medicine, is that while it eradicates disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES Ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the past season.

10,000 Cases of General Debility and want of Nervous Energy. Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their medicinal energy by the use of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any INVIGORATING CORDIAL, as it removes and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured. Cleanses and Strengthens Consumption can be cured, Bronchitis, Consumption, Liver complaint, Colds, Catarrh Coughs, Asthma, Spitting of Blood, Soreness in the chest, Heat of the Face, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c. have been cured and can be cured. Rheumatism. This is only one of more than 4,000 cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter: Dr. Townsend, Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the utmost distressing pains and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better - indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours respectfully, JAMES CUMMINGS. FITS! FITS! FITS!

Dr. Townsend, not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester county: FORDHAM, Aug. 13, 1837. Dr. Townsend, Dear Sir - I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, although we could find no recommendation in our circulars for cases like hers, we thought as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it has not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fast becoming rugged and hearty, for which we feel grateful. Yours, respectfully, JOHN BUTLER, Jr.

FEMALE MEDICINE!

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Protrusion Uteri, or falling of the womb, Piles, Leucorrhoea, or Whites, obstruction or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system; no matter whether the result of inherent cause, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us; thousands of cases where families have been thus invigorated after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

Great Blessing to Mothers and Children. It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, and those who have used it, think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth. In Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the Secretions and equalizing the circulation it has no equal. The great beauty of this Medicine is, it is always safe, and the most delicate use it most successfully.

OPINIONS OF PHYSICIANS. Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union. This is to certify that we, the undersigned Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's

Sarsaparilla, and believe it to be one of the most valuable preparations in the market. H. P. PULING, M. D., J. WILSON, M. D., R. B. BRIGGS, M. D., P. E. ELMENDORF, M. D. Albany, April 1, 1847.

CAUTION. Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shape bottles, and some of them have stole and copied our advertisements; they are only worthless imitations and should be avoided.
