COLLEGIATE INSTITUTE FOR YOUNG LADIES!

REV. CHARLES A. RAYMOND

Principal. THE Second Session will commence on the

1 9th of January 1852. The Trustees congratulate themselves, their friends and the public, on what they now consider the permanent establishment of an institu-tion of learning of so high a character in their District. The benefits which their own children. with others, have experienced during the past Session, enables them with the greater confidence, to recommend the Institution to the pat-

ronage of the community.

The School was opened on the 18th of Bepember last, with thirty-one Pupils, and has since been gradually increasing. It is confidently expected that the number in attendance will greatly increased during the next Session.

The Institute building now contains seven rooms, all of which have been built, and are used, for purposes of Instruction. A fine apparatus; a large collection of Maps; A natomical Charts, Globes, &c; a Museum of

Natural History; a Cabinet of Minerals and Shells; furnish unusual facilities for sequiring s practical knowledge of the different branches of Science. The course of Study is of an elevated character, and more comprehensive, than that of most

close of each Session.

Books, Stationary and Music, can be obtained in the Village at reasonable prices. MUSICAL DEPARTMENT.

The Department of Music is under the supervision of one of the most accurate and accomplished teachers in the State; and it is believed that unusual facilities are afforded for acquiring a thorough knowledge of this difficult science.
