Executive Department.

WHEREAS, information has been received at this Department, that an atrocious outrage was committed by a Negro fellow, on the person of a lady of Anderson District, on the 28th of July last, and that the said negro has made his escape.

Now, be it known, that in order that the said negro fellow may be brought to trial, I, JOHN H. MEASE, Governor and Commander-in-Chief in and over the State aforesaid, do issue this, my Proclamation, offering a reward of TWO HUNDRED DOLLARS for his delivery to the Jailor of Anderson District.

The said Negro is a young fellow, not exceeding 23 or 24 years of age, five feet six or eight inches high, well built, of rather yellowish complexion, converses briskly and sensibly, was well dressed at the time with dark coat and pants, checked shirt, and wore a cap and slippers. He was a stranger in the neighborhood, and represented himself as a Brick Mason from a distance, hunting work. He is believed by certain persons who saw him to be a fellow by the name of PAT or PATTERSON, who was taken from Anderson District to Alabama some eight years ago, by one William N. Wyatt, who afterwards sold him to a trader near Columbus, Ga.

Given under my hand and the seal of the State, this the 14th day of August, A. D., one thousand eight hundred and Fifty-two.

PROF. A. C. BARRY'S

TRICOPHEROUS,

OR MEDICATED COMPOUND.

INFALLIBLE for renewing, invigorating and beautifying the HAIR, removing the Scurf, Dandruff, and all affections of the Scalp, and curing eruptions on the Skin, diseases of the Glands, muscles and integuments, and relieving Stings, Cuts, Bruises, Sprains, &c. With this preparation "there is no such word as fail." The first journals in America, medicinal men of the highest eminence, prominent citizens of all professions, and ladies who have used it for years in their dressing rooms and nurseries, admit with one accord, that for imparting vigor, gloss, luxuriance and curl to the hair, eradicating scurf and dandruff, healing wounds, curing contusions, sprains, stings, &c., and relieving diseases of the skin, the glands and the muscles, it has no equal, among the multitude of compounds advertised in the public prints, or used in private practice.

In cheapness as well as efficacy, Barry's Tricopherous is unrivalled. The immense cash sales of the article have enabled the Inventor to supply it at retail, at 25 cents per bottle, which is from 50 to 100 per cent. less than the price of any other preparation for the hair now in use. The scientific treatise on the hair and the skin, (embracing valuable directions for the culture and preservation of Nature's choicest ornament.) in which each bottle is enclosed, is alone worth the money.

Sold, in large bottles, price 25 cents, at the principal office, 137 Broadway, New-York; and by the principal Merchants and Druggists throughout the United States and Canada, and by

FOR THE ADVERTISER.

MESSRS EDITORS:—Allow us to nominate through the medium of your paper, Col. SAMUEL MCGOWEN, for the office of Major General, as a worthy successor of our esteemed fellow citizen, Gen. M. L. BONHAM.

Having known Col. McGOWEN for several years, we can confidently recommend him to our brother officers as a gentleman of high attainments, and from his long experience in military affairs in Mexico, as well as in the militia in our State, as eminently fitted to fill the high office of Major General.

Col McGOWEN is one of the oldest Officers in our Brigade and perhaps in our Division, and believing his claims are at least equal to any other Colonel we earnestly recommend him to the support of our brother Officers.

MANY OFFICERS OF EDGEFIELD.

A Card.

In presenting myself to my Brother Officers of the Division, as a Candidate for Major-General, I feel assured that I have not aspired to this high position in the Militia of the State, without some shadow of claim to their confidence and support.—I have for more than *sixteen years* been in Commission, and since March 1849, as Colonel of the 3d Regiment. During all this time my position has been in the *line*. For my character and qualifications as an Officer, I refer with entire confidence to Adjt. Gen. CANTEY, Maj. Gen. BONHAM and Brig. Gen. GORVIN.

I publish this Card as it will be impossible for me to canvass the Division before the election.

It is said to be the best furnished institute for Young Ladies in the State.

The Academic year is divided into three Sessions of fourteen weeks each. The first Session will always commence on or near the 15th of September. Books, Stationary and Music, can be obtained in the Village at reasonable prices.

Musical Department.

The department of Music is under the supervision of most accurate and accomplished teachers; and it is believed that unusual facilities are afforded for acquiring a thorough knowledge of this difficult science. In addition to regular private lessons, the pupils in this department are divided into classes, and taught on the plan of Pestalozzi.

They devote much time to exercises, adapted to train the ear, and the voice, and to impart an easy and brilliant execution.

If they pursue the prescribed course of musical instruction, they acquire the art of reading music with facility.

They are required to be regular and systematic in practising daily at the Institute.

The training and cultivation of the voice receive an unusual degree of attention. The science of Elocution is here applied, in developing the voice for singing, with great effect.

New Location!

M. P. STOVALL, WAREHOUSE & COMMISSION MERCHANT, Augusta, Ga., would respectfully inform his old patrons, and the public generally, that he has leased, for a term of years, the New and Extensive

Fire Proof Ware-House,

situated on Jackson Street, between the Rail Road Depot and Broad-street, near the Globe Hotel, formerly occupied by Walker & Dryson, and more recently by G. Walker & Son.

The location is an excellent one, being convenient to the Rail Roads, Hotels, Banks and chief business Houses of the city.

Having every facility for business, and the disposition to extend every accommodation to his customers, with a long acquaintance with the interests of the planter, he hopes he may have, not only a continuance, but an increase of the liberal patronage heretofore extended to him.

Orders for Family Supplies, Bagging, &c, promptly and carefully filled at the lowest market prices.

HAVING transferred the lease on the Ware House lately occupied by us to Mr. M. P. STOVALL, in consequence of our removal to Charleston, we take great pleasure in recommending him to our friends.
