These Bitters have been used by thousands, and a friend at our clow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. 17 DR. ROGERS' LIVERWORT AND TAR!! A SAFE and certain cure for Coughs, Colds, Croup, Asthma, Consumption of the Lungs

all Pulmonary A feetions.

A Lovely Young Lady Cured of Consumption ! THE following is from the pen of WM. H. LEVI son, Esq., the distinguished editor of the U. S. Mili tary and Naval Argus, under date of New York, January 26, 1851. What could be more conclusive? "It is seldom we permit ourselves to occupy a space in these columns to speak in praise of any article in the patent medicine way; but when we see the life of a fellow creature saved by the use of any medicine whatever, we consider it as our not our duty, to give a simple statement of facts, that others may, in like manner, be benefitted. The case which has induced us to pen this article was that of a young lady of our acquaintance, who by frequent exposure to the night air, contracted a Cold which settled on the Lungs before its ravages could be varous remedies were used, but with very little effect or benefit.—The Cough grew worse, with copious sary improvements—frame buildings, orchards, &c.

Any information given by applying to the Subits worst on her delicate frame. The fam-ly physician was consulted, and although he would not admit to the young lady that she really had the Consumption, yet he would give no encouragement as to a cure. At this crisis her another was persuaded to make use of a bottle of Dr. Rogens' Compound Symp of Liverwort and Tar, and me are happy to state she liverwort and Tar, and me are happy to state she Liverwon and Far, and he are happy to state she was perfectly cured in less than three months by this medicine alone, after even hope was destroyed. It is useless to comment on such a case as this, for the simple truth will reach where polished fiction never can. If any doubt the authenticity of this statement, let them rail at this Office.—U. S. Military and Naval Agents.

TESTIMONY OF THE PRESS. From the N. Y. Conrier, Aug 13. DR. ROGERS' STREF OF LIVERWORT AND TAR. postion of it is well timbered and can be parchased at private sale on liberal terms.

> From the N. Y. Mirror, Sept. 2. LIVERWORT AND TAR .- Of the virtues of Dr. Rogers' Cough Medicines prepared from the above arti-cles, it is needless now to speak; its efficacy in speedi-ly curing Coughs, Colds and other lung complaints, which too freequently, if neglected, result in Con-sumption, is too well established in public confidence to need enlogy now. From the N. Y. Despatch, Aug 25.

> We have heretofore taken occasion to give our testimony in favor of the curative properties of Dr. Rogers' Compound Syrup of Liverwort and Tar, and would here repeat the advice already given, for all persons who are afflicted with Consumption, or any of the premonitory symptoms, to make a trial of Dr. Rogers premaration.
