ROGER'S LIVERWORT & TAR.
FOR THE COMPLETE CURE OF COUGHS, COLDS, INFLUENZA, ASTHMA, BRONCHITIS, SPITTING OF BLOOD, AND ALL OTHER LUNG COMPLAINTS TENDING TO CONSUMPTION.

THIS preparation is getting into use all over our Country. The numerous letters we receive from our various agents, informing us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the *very best* Cough Medicine now before the public. *It almost invariably relieves and not unfrequently cures the very worst cases.* When all other Cough preparations have failed, this has relieved the patient, as Druggist, dealers in Medicines, and Physicians can testify. Ask the Agent in your nearest town, what has been his experience of the effects of this medicine. If he has been selling it for any length of time he will tell you

IT IS THE BEST MEDICINE EXTANT.

Below we give a few extracts from letters we have received lately regarding the virtues of this *medicine*.

Dr. S. S. Oslin, of Knoxville, Ga., says:—*I have been using your Liverwort and Tar very extensively in my practice for three years past, and, it is with pleasure I state my belief in* ITS SUPERIORITY OVER ALL OTHER ARTICLES *with which I am acquainted, for which it is recommended.*"

Messrs. Fitzgerald & Benners, writing from Waynesville, N. C. says:—"*The Liverwort and Tar is becoming daily more popular in this Country,* AND WE THINK JUSTLY SO. *All who have tried it speak in commendable terms of it, and say it is very beneficial in alleviating the complaints for which it is recommended.*"

Our Agent in Pickens District, S. C. Mr. S. R. McFall, assures us "*that he uses it with great benefit* in his own family, and recommends it to his neighbors." He gives an instance of a Negro woman, in his vicinity, who had been suffering with disease of the Lungs for years, attended with a severe cough, who was relieved by the Liverwort and Tar.

Such are the good reports we hear of this Medicine from all parts of the South. For a report of the surprising cures it has performed in the Western and Northern and Eastern States, we would invite the suffering patient to read the pamphlet which accompanies each bottle. To all, we say, *have hope, have hope!*

TRY THE MEDICINE!!
BE WARNED IN SEASON!!!

And neglect not that cough which is daily weakening your constitution, irritating your throat and lungs, and inviting on that dread disease, Consumption, when so soothing and Healing a remedy can be obtained as Dr. Rogers' Syrup of Liverwort and Tar.

BEWARE OF COUNTERFEITS AND BASE IMITATIONS!

The genuine article is signed ANDREW ROGERS, on the engraved wrapper around each bottle.

Price, $1 per bottle, or six bottles for $5. Sold wholesale and retail by SCOVAL & MEAD, 111 Chartres St. bet. Conti and St. Louis, N. O.

THESE Institutions are now in successful operation. The exercises opened on the 1st February with the most flattering prospects. Over one hundred Pupils are now in attendance, and several others are expected to enter the present month.

Parents and guardians desirous of educating their children or wards, would do well to consider the advantages afforded by these Institutions. In their location particular reference was had to health, and in this respect the situation is surpassed by none in the South.

The Academies comprise two large and commodious Buildings, furnished with special reference to the personal comfort and intellectual advancement of the Pupils.

With so experienced and highly recommended a corps of Teachers, with facilities for instruction, they have spared neither pains or expense in providing, the Trustees feel themselves warranted in assuring a thorough and finished education.

Edgefield Male Academy.

THIS Institution is opened for another year under the control of Mr. J. GREGG LEITNER, our last year's Teacher.

The experience of a twelvemonth has fully satisfied us that no more competent young gentleman can be found in the State than the one now at the head of our Academy. The best proof of this is the general satisfaction given by him last year, backed by the additional fact that his School, at the termination of its first week for the second year, numbered 43 Pupils.

The Trustees desire to assure the Public that their united efforts will be given to the cause of their School, and a continued and complete supervision will be exercised by them over its progress.

Mr. LEITNER will in a short time procure a first rate Assistant, and any number short of four score can then be well attended to.

The Building is in comfortable condition, having three large fire-places (one in each of the larger rooms,) and being well supplied with convenient tables and arm-chairs of the best finish.

Once more we appeal to the people of Edgefield and the adjoining Districts, for their encouragement of our earnest endeavors to establish a first rate preparatory School.

THE GREAT KENTUCKY
SOUTHERN REMEDY,

DR JOHN BULL'S

SARSAPARILLA.

THIS medicine, when used according to directions, will cure, without fail:—

Scrofula
or King's Evil,
Cancers, Eruptions
of the Skin, Erysipelas,
Tumors, Chronic Sore Eyes,
Ringworm or Tetters, Scald Head,
Rheumatism, Pains in the Bones or
Joints, Old Sores and Ulcers, Swelling of
the Glands, Syphilis, Dyspepsia, Salt Rheum,
Diseases of the Kidneys, Diseases arising from the use
of Mercury, Loss of Appetite, Pain in the Side and
Shoulders, General Debility, Lumbago, Coughs, Colds,
Dropsy, Jaundice, Costiveness, Bronchitis, Weakness of the
Chest, Sore Throat, Pulmonary Affections, and all other
Diseases tending to produce Consumption. Liver Complaints, Female Irregularities and Complaints, Low
Spirits, Sick and Nervous Headache, Night Sweats,
Exposures, or Imprudence in Life, Chronic Constitutional Diseases, and as a Spring and
Summer Drink, and General Tonic for the
System, and a Gentle and Pleasant
Purgative, it is superior to Blue
Lick and Congress Water,
Saits, or Seidlitz
Powders.

It is a remarkable fact, that among the hundreds of eminent physicians who have examined the recipe by which Bull's Sarsaparilla is prepared, not one has condemned it, but all approved it, and commend it in the highest terms. Many physicians express themselves strongly in the belief that it is decidedly the best preparation of Sarsaparilla that has ever been placed before the public. Although there are many physicians who feel a reluctance to having their names appended to the recommendation of any particular remedy, notwithstanding they may approve of it in the highest degree, there are others who frankly yield their support in favor of a remedy which they know is capable of doing so much good in an afflicted community. As an evidence, read the following from old and respectable physicians, of high standing
