UNEXPECTED OFFER-It is said that a Russian Commissioner came out in the last steamer fully authorized to sell to our government all the Russian possessions in this continent, and has already made an offer to that effect.

Suicicide.-A passenger on board the steamboat Northerner lately leaped overboard at Rising Sun, Ia. He was rescued, and on being interrogated, said "he was out of money, had no friends, and being tired of life had determined to drown himself."

DIED, on the 2d of July, FRANKLIN POSEY, aged 17 years, at the residence of his father, Maj. S. Poscy, of Edgefield District.

He was an affectionate and dutiful son, a loving brother, and a kind noble hearted friend. The circumstances of his death were peculiarly gratifying. A short time before his departure, he called the family around his dying pillow, and told them he had had a soft and refreshing sleep, in which the beauties of an invisible world were revealed to him. He bade them farewell, exhorting them to meet him at the right hand of the throne of God, where the righteous can never die. It was indeed a lovely sight to see one so young, die such a noble and happy death. It was a sight on which angels love to dwell, and shed copious tears of joy. Happy Frank! so loved while living, so lamented

The Bonham Place.

This Tract so well known, searcely needs a deseription. It consists of twelve hundred (1200) acres, lying on Richland Creek, six hundred (600) acres of which are cleared and in a high state of inprovement and cultivation. These Lands have a reputation for grain-growing second to none in the District; for either grain or cotton we refer to the present growing erop as a sure indication of their quality and capacity. The woo land is of good quality, and the timber upon it very superior. On this place is a good Two Story framed Dwelling House, Stables, Barnes, Carriage House, Black-smith Shop, Gin House, Negro Houses and all other buildings necessary to a plantation. Also, a large and commodious Store House, which has been used for Mercantile purposes a great many years, which has given this place, as a business stand, a reputa-tion of a high order, and as such recommends itself to the consideration of enterprising and business

The Crouch Place.

This Tract contains about five hundred (500) acres small portion of which (say 100 acres) is cleared-The balance is in woodland and embraces a Tract of Land not only beautifully timbered, but for purposes of cultivation most excellent and rare quality.

The Balance Consisting of Pine Land, will be divided into Tract of from Two Hundred to Three Hundred acres. This body of Land we recommend to the atten-tion of all persons desirous of making a settlement or investment. The quality of Lands in this par ticular section has been overlooked. As a body of timbered Land it is superior to any in the up-country of South Carolina. Much of it is of excellent,

and all of fair productive quality. TERMS. A credit of one and two years with interest from date, with bond and two approved securities, and a

FRESH ARRIVALS. DR. A. G. TEAGUE respectfully informs his friends and citizens of Edgefield generally, that he has just received a LARGE ADDITION to his already extensive Stock of fresh and genuine Drugs, Medicines, Chemicals, &c.

His Drugs are carefully examined by himself, and Il that are found worthless, rejected; and those that are approved may be relied on as efficient and of uniform action.

ALL of his Medicinal Compounds, Tinetures, Pills, Ointments, &c., &c., are put up under his own supervision and in strict accordance with the

United States Dispensatory.

From his long and extensive experience in the practice of Medicine, he has made several Com-pounds of his own, not to be found in the Dispensatory, viz: -A Preparation for the CROUP, which he has used extensively for eighteen years, and re-commends with confidence; a VERMIFUGE, safe and efficient; and many other Compounds which he makes extemporaneously to fulfil the indications in each particular case for which it is used. It would require more space, than could be ob tained in a Newspaper to give a Catalogue of the Drugs, Medicines and Chemicals kept and sold by

him—suffice it to say, he can furnish a Physician's Office COMPLETE, with Physick and Furniture. He has added to his former Stock some of the nost reliable Vegetable extracts, viz: PODOPHIL LIN, STILLINGINE, LEPTANDRIN, &c. Planters and families can be supplied with all Medicines necessary in a family—and when desired directions put up with each article.
