TOTHE PUBLIC: The Times are tight & Money's scarce, BUT THE BUTCHER MUST BE PAID! THE Undersigned

regrets the necessi-ty of thus notifying his k i n d patrons that from and after this date he will be compelled to strictly adopt the CASH SYSTEM, as it is utterly impossible to continue the Butchering Busines without the wherewith to purchase Stock, &c. Our farmers are not disposed to credit any longer, and will not, (to tell the honest truth,) even talk about selling until a well-lined pocket-book is exhibited to their visionary organs. Therefore, knowing our unpleasant situation, you will hereafter, in sending for your daily supplies of BEEF, MUTTON or PORK, always accompany the money with your order. This rule will, in every instance be closely

adhered to.

All those indebted to me will please come up and settle in a very " few days." W. W. GOODMAN. 3t

From the Hamburg Valley Pioneer, 30th ult. Lottery and Luck.

E have often heard LOTTERY INSTITU-WE have often heard LOTTEAL TIONS anathematized by disappointed Ticket holders, as swindling shops, thieving machines and Murrel dens. Hundreds buy Tickets with the vain hope of drawing the Capital Prize, or a smaller for-tune; and because their dreams are not realized when the wheel is turned, they curse their luck, and denounce the institution. Some swear that the prizes were never deposited in the wheel of fortune at all, and some say that there is a secret rascality practiced in the drawing, so as to prevent the suc-

s of ticket holders. Now all this proceeds from the desperation of disappointed hopes; for it is not to be presumed that gentlemen of high character and scrupulous integrity—acting as Agents or Commissioners—would practice such enormous frauds upon a Lottery class. We cannot believe all men to be swindlers, nor can we believe all Lotteries humbugs, or Lottery agents and commissioners a set of thieves and scoundrels. In fact, we have the best reason in the world to believe that there is some purity in these, as well as other institutions, and that they are conducted upon as correct principles of morality as are the banking institutions of our country; but they are games of chance, and it is not to be expected that every one who feels lucky can succeed in selecting the fortu-

A few days ago, we saw a gentleman purchase a half ticket in the Fort Gaines Academy Lottery, from an Agent in Augusta-Mr. Barner-for which he paid the sum of \$5. Its number was 3568, and on Thursday last the wheel turned, at Atlanta, Ga., and the number 3568 drew the moderate prize of \$5,000. The holder of the ticket presented it at Mr. B's office, and received the money without discount-save per centage for cash, the prize being payable at thirty days. From this circumstance, we know that the prize numbers are deposited, and that THEY ARE DRAWN OUT; but depend upon it, it takes a LUCKY fellow to draw such prizes as the

and ro purify ree blood. THIS SARSAPARILLA is made of the Sarsa-L parilla which grows in the Southern States and nothing else. It has the natural Sarsaparilla taste. Ats effect upon the system in all cases in which Sar-saparilla is indicated is wonderful. It is a great safeguard against diseases arising from a torpid state of the Liver, or impure state of the Blood. Generally, it acts upon the Bowels as a mild pur-gative or laxative. It not only mildly moves the

Bowels, but gives tone to the system by restoring healthy action in the Liver, and by freeing the bloo from its impurities. For children it is a great preventive of worms and supercedes the necessity of giving them so much worm medicine; at the same time it improves

their general health. A better and more useful medicine cannot be inroduced into Edgefield District, either for profe sional or family use, than the Georgia Sarsapar lla.

This Sarsaparilla is not to be sold on commis-

CONSUMPTION! THIS preparation is getting into use all over our country. The numerous letters we receive from our various agents, informing us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the very best Cough Medicines now before the public. It almost invariably rederes and not unfrequently cures the very voorst cases. When all other Cough preparations have failed, this has relieved the patient, as druggists, dealers in medicines, and physicians can testify. Ask the Agent in your nearest town, what has been his experience of the effects of this medicine. If he has been selling it for any length of time he will tell you.

IT IS THE BEST MEDICINE EXTANT.

Below we give a few extracts from letters we have received lately regarding the virtues of this medicine.

Dr. S. S. Oslin, of Knoxville, Ga., says:—Ihave been using your Liverwort and Tur very extensively in my practice, for three years past, and, it is with pleasure I state my belief in its supermonent over all other articles with which I um acquainted, for which it is recommended."

Many Element L. Roman withing from Warnerilla.

Mesers. Fitzgerald & Benners, writing from Waynesville, N.C., say:—"The Livercovi and Tur is becoming daily more popular in this country, AND WE THINK JUSTLY 80. All toko have tried it speak in commendable terms of it, and say it is very benjicial in alleviating the complaints for which it is recommended."

for which it is recommended."

Our Agent in Pickens, S. C., Mr. S. R. McFall, assures us "that he uses it with great benefit in his own family, and recommends it to his neighbors." He gives an instance of a negro woman, in his vicinity, who had been suffering with disease of the lungs for years, attended with severe cough, who was relieved by the Liverwort and Tar.

Such are the good reports we hear of this medicine from all parts of the South. For a report of the surprising cures it has performed in the Western and Northern and Eastern States, we would invite the suffering pattent to read the pamplet which occompanies each bottle. To all, we say, have hopp, have hope.
