B. D. Boyd was re-elected President.-South Carolinian.

General John A. Sutter, the Swiss pioneer of California, has not, it seems, parted with all his interest in the immense tract of land which for-merly belonged to him, under a grant from the Mexican government, and to which his title has just been confirmed by the United States Land Commission, in session in California. This claim embraces twenty-three square leagues of land, or over 150,000 acres, and the General has informed the editor of the Marysville Herald, that, in the future management of the estate, he is determined to deal in the most liberal manner with purchasers who intend to become actual

THE NUMBER OF THE KNOW NOTHINGS .- WE learn from the last Macon Citizen, that the last count of the members of the dark-lantern order, shows about 30,000 in Georgia. This is a modest figure, compared to those loud and boastful pretensions, and mysterious hints of overwhelming power. Judging by all the indications we have seen, this number will be more apt to diminish than increase, between this and October. There are 100,000 voters, at least, in Georgia Admitting all the Know Nothings hold on faithfully to their dark oaths, and to their organization, which is scarcely possible, and all get to the polls, Judge Andrews must still be left a long way behind. Why, sure the friends of Mr. Overby will pluck up courage, and cherish hopes of making the Judge the hindmost horse in the race.-Augusta Constitutionalist.

GREAT FIELDS OF WHEAT .- The celebrated traveller and agricultural writer, Solon Robinson, a few years age pronounced the farms of Messrs. Henry K. and Thomas Burgwin, on the Roanoke, in New Hampton county, North Carolina, the best between Canada and Louisiana. We learn that the former has a field of 900 acres of wheat, which good judges estimate will yield .20 bushels to the acre, or 18,000 bushels in all. It is said to be a most beautiful sight. Mr. Thomas Burgwin has a field of 900 acres in wheat, almost as good. These gentlemen make, besides, large quantities of corn, oats &c .- Fayetteville Observer. .

OBITUARY.

DEPARTED this life on the 24th June, in the 48th year of her age, Mrs. MARTHA HILL, consort of Rev. W. P. HILL, of Greenwood, Abbeville Dis trict, S. C.

Few individuals possessed as many excellencies of character as the subject of this notice. All those natural virtues that adorn the female character seemed to unite in her. Added to these were the graces of the Holy Spirit, which blended with her natural qualities rendered her not only an amiable female, but a humble and devoted Christian. Truly "adorned with a meek and quiet spirit which in the sight of God is of great price." The possession of these virtues qualified her for the performance of the several duties arising from the relations of life as daughter, wife, mother, sister, friend. These she discharged in such manner as te secure the confidence and esteem of all who knew her. Yea, of her it might be said she had not an enemy. Her kind and affable manner gained her friends, her prudent and confidential behavior continued them. The kind attentions, which the citizens of the community in which she had lived for fifteen years, bestowed upon her during her late illness, gave evidence of the high respect which they entertained for her. These were gratefully appreciated by her, as she expressed to the writer

To her husband she was indeed an " help mate," not only in his domestic engagements, but also in his ministerial vocation. And her three children now know and feel that they have lost a mother. For more than twenty-two years she was a con-sistent member of the Baptist Church enjoying a large portion of personal piety, and exerting a holy influence by her placid disposition, her punctual attendance on religious exercises—her pious conver-sation—and her uniform deportment. Her last illness furnished an occasion of putting to the test the genuineness of her piety, and the sincerity of her profession. Attacked violently with that painful and dangerous disease (dysentery) which in her case bid defiance to the skill of physicians and the power of medicines, her sufferings were indeed in-tense; yet not a murmur escaped her lips.

The writer of this brief tribute of respect, con-

versed with her with regard to her situation, and on one occasion remarked, "It is important that we should make ourselves familiar with death, so that we may be always ready and not be alarmed at his approach;" to which she replied, "I have long ago put my trust in God, and feel entirely resigned to his will, and ready to depart whenever he may call me away. Christ is precious to me as a Saviour."

For twelve days she bore her sufferings with great fortitude; her confidence in God growing stronger daily. The chief anxiety she manifested was to see her husband who was absent, but who was enabled to return in time to witness the fortitude with which she bore her sufferings, converse with her upon her preparation for death, and hear the exhortations addressed individually to her children, to meet her in heaven, "For," said she, "I am going there." About the rising of the sun on the morning of the Lord's day the happy spirit of our dear sister took its flight from its earthly house up to that " building not made with hands eternal

She has left a husband and three children, mothe sisters and a large circle of relations and friends to mourn her departure. "Blessed are the dead which die in the Lord from henceforth; yea saith the Spirit, they do rest from their labors and their works

ROGERS' LIVERWORT & TAR; FOR THE COMPLETE CURE OF COUGHS, COLDS, INFLUENZA, ASTHMA, BRONCHITIS, SPITTING OF

BLOOD, & ALL OTHER LUNG COMPLAINTS TENDING TO CONSUMPTION!

THIS preparation is getting into use all over our country. The numerous letters we receive from our various agents, informing us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the very best Cough Medicines now before the public. It almost invariably relieves and not unfrequently cures the very worst cases. When all other Cough preparations have failed, this has relieved the patient, as druggists, dealers in medicines, and physiciaus can testify. Ask the Agent in your nearest town, what has been his experience of the effects of this medicine. If he has been selling it for any length of time he will tell you

IT IS THE BEST MEDICINE EXTANT.

Below we give a few extracts from letters we have received lately regarding the virtues of this medicine.

Dr. S. S. Oslin, of Knoxville, Ga., says:—Ihave been using your Liverwort and Tar very extensively in my practice, for three years past, and, it is with pleasure I state my belief in ITS SUPERIORITY OVER ALL OTHER ABTICLES with which I am acquainted, for which it is recommended."

Meers: Fitzgerald & Ronners, writing from Waynesville,

Nessis, Flizgerald & Benners, writing from Waynesville,
N. C., say:—"The Liverwort and Tar is becoming daily
more popular in this country, AND we THINK JUSTLY 80.
All who have tried it speak in commendable terms of it,
and say it is very benficial in alleviating the complaints

for which it is recommended."

Our Agent in Pickens, S. C., Mr. S. R. McFall, assures us "that he uses it with great benefit in his own family, and recommends it to his neighbors." He gives an instance of a negro woman, in his vicinity, who had been suffering with disease of the lungs for years, attended with severe cough, who was relieved by the Liverwort and Tar.

Such are the good reports we hear of this medicine from all parts of the South. For a report of the surprising cures it has performed in the Western and Northern and Eastern States, we would invite the suffering pattent to read the pamplet which occompanies each bottle. To all, we say, have hope, have hope. TRY THE MEDICINE!
