Just finished, 50 feet by 30, with all other neces-
sary out buildings.
I have no hesitation in saying that a better op-
portunity of buying a Fresh and well improved
Tract of Land, is seldom if ever offered. There
is not one acre of poor land in the tract. It is a
healthy situation, a fine neighborhood, only five
miles from the Village, and in a few miles of two
or three contemplated Rail Road routes.
Come all who wish to buy good land and see for
yourselves. If applied for, will send a prospectus
No use in going to Florida, Texas or California,
to buy land, for you can make as much of the
"stuff" here as any where else.
