Special Medical Notice. CURE OF DYSPEPSIA.

THE undersigned is being consulted by letter from all parts of the Union, by those who are suffering from DYSPEPSIA and its consequent general weakness, muscular relaxation, and nervous debility. Having for the last few years, in his practice of medicine, turned his attention almost entirely to the treatment of this disease, he is enabled from his large experience to institute a peculiarity of treatment that will enable the patient to see, feel, and know, after a day or two's treatment, that his recovery has already commenced. Has he a dry tongue, thirst, loss of appetite, constipation of bowels, nausea and vomiting?—Is the skin dry, harsh, with unnatural heat?—Is he troubled with sleeplessness, starting in his sleep, somnolence, impaired volition—with all these symptoms, arising from the heart, and early out of breath by quickened exertions? All these, after one, two, or three days' treatment will commence to disappear.

Terms of Treatment. \$5.00 for first consultation. Medicine forwarded by mail, with full and explicit written directions of the course of treatment, &c., to be pursued. Each subsequent consultation, including medicine forwarded, \$3.00. Money remitted in all instances should be "registered" at the post-office. All letters to be addressed to the undersigned.
