THE BEST MEDICINE EXTANT.

Below we give a few extracts from letters we have received lately regarding the virtues of this medicine.

Dr. S. S. Oslin, of Knoxville, Ga., says:—Inace been using your Licercort and Tar very extensively in my practice, for three years past, and, it is with pleasure I state mybelief in the superiority over all of the superiority over the country. AND WE THINK JUNTLY SO. All who have tried it speak in commended."

Messra, Fitzgerald & Benners, writing from Waynesville, N. C., say:—"The Livercort and Tar to becoming daily more popular in this country, AND WE THINK JUNTLY SO. All who have tried it speak in commendable terms of it, and say it is very benjicial in allectating the complaints for which it is recommended."

Our Agent in Pickens, S. C., Mr. S. R. McFall, assures us "that he uses it with great benefit in his own family, and recommends it to his neighbors." He gives an instance of a negro woman, in his vicinity, who had been suffering with disease of the lungs for years, attended with severe cough, who was relieved by the Liverwort and Tar.

Such are the good reports we hear of this medicine from all parts of the South. For a report of the surprising cures it has performed in the Western and Northern and Eastern States, we would invite the suffering pattent to read the pamplet which occompanies each bottle. To all, we say, here hope, have hope.
