## VALUABLE REAL ESTATE
### FOR SALE.
### RARE CHANCE FOR PURCHASERS!

THE Subscriber, being desirous of making a change in his business, proposes to sell at private sale the following tracts of land.

**The Homestead Place,**

Containing 1544 acres, lying on Log Creek and Beaver Dam, and joining land of Col. F. W. Pickens, Lewis Jones, Mrs. C. Landrum and others, and within 3 miles of Edgefield C. H. This is one of the most desirable locations in the District, as well for the fertility of the soil, as the healthfulness of the climate. About 500 acres are cleared and in a high state of cultivation; a large part of which is fresh land, under fine fence, having been brought into cultivation not more than 2 or 3 years.

There are about two or three hundred acres of choice creek bottoms lying on the above name creeks, remarkably productive, well ditched, and of as fine quality as any in the District. There are on the premises a comfortable dwelling house and all necessary out buildings, consisting of new and commodious negro houses, framed and shingle roofed, stables, barn, Gin house, and a new screw: a finely constructed fish pond, well supplied with fish, and of various varieties.

This place is also well watered, Log Creek running through the eastern part of it, and Beaver dam through the western portion, with a sufficient number of tributaries supplying an abundance of water at all seasons of the year for stock; and two fine springs of good freestone water adjacent to the settlement, one on each side.

Much the larger portion of this tract of land is in native forest, supplied with an almost exhaustless quantity of the finest timber, consisting of pine, oak and hickory. There are ten or twelve springs of good water on the Beaver Dam portion of this tract of land. Two fine orchards of selected fruit trees, generally young and luxuriant. This is one of the most healthy sections of the District, and well adapted to the culture of cotton, corn and small grain.

The tract known by the name of

**The Brunson Tract,**

Lying on the Edgefield & Choatam Plank Road, six miles from Edgefield C. H. This tract is unimproved, contains 380 acres, and heavily timbered with native forests. There are on the tract 3 or 4 fine springs and a fine site for a residence.

The tract known as the

**Ciper Creek Tract,**

Contains 202 acres, lying on the Abbeville road four miles below Liberty Hill.

Also adjacent, but not connected, the

**Calahams Tract,**

containing 144 acres.

The above tracts of land are all well adapted to the culture of cotton, corn and small grain.

I will also sell two vacant lots adjacent to the Masonic Hall in the Village of Edgefield.

Terms made easy and accommodating to purchasers; if desired in one, two and three equal annual instalments. If desired, I will break the homestead tract, into parcels to suit purchasers, provided the whole can be sold.

Containing 440 acres, upon which there is a comfortable dwelling with necessary outbuildings—abou 100 acres of Forest land and 340 acres cleared, 50 of which is first and second year's land, of excellent quality, good for corn and cotton; also 25 acres of low-ground; the remainder in a fair state of cultivation.

**3. The Pine-Land Tract,**

**PURIFY THE BLOOD!**

## MOFFATT'S LIFE PILLS
AND
## PHOENIX BITTERS,
**FREE FROM ALL MINERAL POISONS.**

THE great popularity which MOFFAT'S LIFE PILLS and PHOENIX BITTERS have attained in consequence of the extraordinary cures effected by their use, renders it unnecessary for the proprietor to enter into a particular analysis of their medicinal virtues or properties. Having been more than twenty years before the public, and having the united testimony of more than THREE MILLIONS of persons who have been restored to the enjoyment of perfect health by them, it is believed that their reputation as the **Best Vegetable Medicine** now before the public, admits of no dispute. In almost every city and village in the United States, there are many who are ready to testify to their efficacy in removing disease, and giving to the whole system renewed vigor and health.

In cases of SCROFULA, ULCERS, SCURVY or ERUPTIONS of the skin, the operation of the LIFE MEDICINES is truly astonishing, often removing in a few days, every vestige of these loathsome diseases, by their purifying effects on the blood. FEVER and AGUE, DYSPEPSIA, DROPSY, PILES, and in short most all diseases, soon yield to their curative properties. No family should be without them, as by their timely use much suffering and expense may be saved.
