THEE PROM THEM BINDERAT'S LIFE PILLS and PILOENIX BITTERS have attained in consequence of the extra-rdinary curve effected by their use, renders in unnecessary for the proprietor to enter into a particular analysis of their medicinal virtues or properties. Having been more than twenty years before the public, and having the united testimony of more than THEEE MILLIONS of persons who have been restored to the enjoyment of per-fect health by them, it is believed that their reputation as the **Best Vegetable Medicine** now before the public, admits of no dispute. In almost every city and village in the United States, there are many who are ready to testify to their efficace in removing disease, and giving to the whole system renewed vigor and health. In cases of SCROFULA, ULCERS, SCURVY or ERUP-TIONS of the skin, the operation of the LIFE MEDICINES is truly astonishing, often removing in a few days, every vestige of these loads. FEVER and AGUE, DYSPEENIA, DROPSY, PILES, and in Short most all diseases, soon yield to their curative properties.
