Georgia Sarsaparilla Compound,

DENNIS' ALTERATIVE, FOR DISEASES OF THE LIVER AND TO PURIFY THE BLOOD.

THIS is the best preparation of Sarsaparilla that L is made. All of its ingredients grow in Edgefield District, and is better adapted to the diseases in Edgefield District than any of the Northern preparations of the kind.

In cases of Blotches, Pimples, &c., it removes the blotches and greatly improves the complexion As a diet drink it keeps the Lowels free and the Blood pure.

It has such a tendency to prevent sickness that every planter in Edgefield District would save money by making free use of it in their families and on their plantations.

Home Recommendation. From Rev. J. A. PORTER, who lives among us, and is well known in this Village.

EDGEFIELD, S. C., Feb 9th, 1857. DR. DENNIS .- Dear Sir: Your Sarsaparilla Compound or Alterative had a very fine effect, both
