HYMENIAL.

MARRIED, on Tuesday evening, the 2nd inst., at the residence of Mrs. E. Cochran, in this Village, by Jas. A. Dozier, Esq., Mr. CHARLES LEWIS COVAR and Miss MARGARET, daughter of M. Etheredge, Esq., all of this District.

OBITUARY.

DIED, in Delaware City, Kansas Territory, on the 2d May last, in the 26th year of her age, Mrs. MARGARET E. CLARK, wife of W. S. CLARK, who had but a few short weeks previous accompanied her husband in all the love of her heart, and in the bloom of womanhood and beauty, to that distant Territory, in order to settle there. On their way out Mr. Clark and family suffered severely from the excessive cold weather, and when they landed in Kansas, his wife and six little children were attacked with the French measels, a fearful disease, especially among the pioneers of the West, where they are for a while deprived of many of the luxuries and comforts of an older country.

On the 25th April last, their infant son died, and on the 2d May, as above stated, Mrs. CLARK departed this life after suffering the severest agony for several days previous. But from a letter received from her husband, we learn that she died happy and perfectly resigned to her fate—depending on God, in his mercy, to take care of her husband and little ones. She died imploring her husband to rear her poor children up in the nurture and admonition of the Lord, and begging him to write to her people in beloved old Carolina and tell them of her melancholy fate—said "tell my dear old father and affectionate sisters and brothers, and friends to meet me in Heaven." And then, after bidding her husband *good bye*, in the most feeling manner, and begging him to love and protect her little babes, as they were, and bring them with him to meet her in the glorious world to come, she breathed her last without a struggle, and her happy spirit took its flight home to heaven.

Mrs. C. was a daughter of Capt. Jos. Long of this District.

With Mr. W. S. Clark we deeply sympathise, and trust that a kind Providence will console him in his severe afflictions.

X.

DEPARTED this life at his residence in this District, on the 22d day of May, 1857, Mr. MARK MATHEWS, in the fifty-fifth year of his age, leaving to mourn their loss, a wife and seven children, two brothers and one sister; besides a large family connexion and friends. Peace be to his memory.

ASK ANY ONE WHO HAS EVER USED
DR. M'LANE'S CELEBRATED VERMIFUGE AND LIVER PILLS,

What they think of them! Ninety-nine in a hundred will tell you they are the best Pills for liver complaint, sick headache and dyspepsia that they have ever used. Read the following from one of our most respectable citizens:

NEW YORK, August 3, 1852.

I do hereby certify that I have been suffering from a pain in my side and breast for a long time, and after trying many remedies came to the conclusion that my liver was affected. I immediately commenced using *Dr. M'Lane's Celebrated Liver Pills*, prepared by Fleming Bros. of Pittsburgh, and the few that I have taken have already given me more relief than all the other medicines I have taken put together. I went to a clairvoyant to consult him; after examining me carefully, he advised me to continue the use of Dr. M'Lane's Pills; that they would effectually cure me.

W. W. PHILIPS,
No. 2 Columbia place.

☞Purchasers will be careful to ask for Dr. M'LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. of Pittsburg, Pa. All other Vermifuges in comparison are worthless. Dr. McLane's genuine Vermifuge, also his Liver Pills, can now be had at G. L. PENN'S Drug Store. None genuine without the signature of Fleming Bros.

PERRY DAVIS' PAIN KILLLER,

Mr. PERRY DAVIS:—I feel it to be my duty to bear my testimony to the efficacy of your Pain Killer. I have used it for years for complaints of the stomach and bowels. I had a very severe attack a few days ago of the ague, and such a pain in my back for three days and nights that I could get no rest. I sent and got a 25 cent bottle of the "Vegetable Pain Killer." I took a little inwardly, and bathed according to directions, and one application has removed all the pain, and I am able to write to-day, though with a trembling hand. The application was made last night about 9 o'clock, and I had a sweet night's rest. I have recommended it for several years, as I have travelled a good deal, and it has given universal satisfaction where it has been used according to directions.

Yours gratefully, L. PERRY CHILDS,
Pastor of Baptist Church, Troy Ohio.

DENNIS'
STIMULATING OR HOT BITTERS,
A Compound Preparation of Georgia Sarsaparilla,
Prepared by
J. DENNIS, M. D., Augusta, Ga.
For Dyspepsia, Colds and Female Complaints arising from Colds.

IF Food occasions pains in the stomach, a dose taken immediately after meals will assist digestion and relieve the pain. In various diseases of females arising from colds or indigestions, they rarely fail to afford great relief, owing to the warming and stimulating effect they cause in the system. They are a superior medicine for females who may have taken cold at the commencement, or during their menstrual period by wet feet or exposure in cold or rainy weather.

In such cases, a dose should be taken at bed time, and about half an hour before each meal. In a want of regularity or in periodical diseases of females, or in Chlorosis, they should be taken at or near the approach of the symptoms of being unwell, and taken regularly if necessary during that period as directed for colds.

If these BITTERS were taken by females for colds at the commencement of being unwell, and their use continued through that period, they would save a great amount of suffering, and often, the fair form from an early grave—though they are the most effectual in bringing about the regular periods of females—in pregnancy they have no tendency to cause abortion, but generally are quite a sure preventive. In this respect they have been thoroughly tested; they act in harmony with the laws of life; they contain in addition to Sarsaparilla, Black Snake Root, Poplar Bark, Golden Seal, Pepper, Prickly Ash and Spices. Though they are made stimulating with pepper, a less quantity of it in them has been proved greatly to impair their virtues. The Sarsaparilla with the aid of its other components, makes this preparation well adopted to the cure of Dyspepsia, Colds and Female Complaints, a fact which goes to prove the intrinsic work of Dennis' Georgia Sarsaparilla, or the Sarsaparilla which grows in the Southern States.
