LIGHT---LIGHT---LIGHT.

GREAT desideratum in the way of LIGHT A is accomplished. An illuminating Oil is prepared from Coal, called KEROSENE OIL, which for

Brilliancy and Intensity of Light Is unsurpassed by all other artificial lights. It is not explosive-will extinguish fire if poured on it -and last, though not least, it is very little more expensive than sunshine. A small Lamp, giving the Light of six Candles, will not cost exceeding half a cent an hour, which can be graduated so as to give less light at a much less expense.

We have the exc'usive Agency for the KERO-SENE OIL and LAMPS in this place, and will sell them at Charleston prices and terms, which are exclusively for Cash. A. G. & T. J. TEAGUE.

CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues. FOR THE CURE OF Headache, Sick Headache, Foul Stomach.

Headache, Sick Headache, Fourstonach.

Pittaberg, P.A., May 1, 1855.

Dr. J. C. Ayer. Sir: I have been repentedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a four stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect,

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., 7 Feb., 1856.
Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious discuse on obetinate that it did not readily yield to them.

Post Office, Hartland, Liv. Co., Mich., Nov. 16, 1855.
Dr. Ayre. Your Pills are the perfection of medicine.
They have done my wife more good than I can jell you.
She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from heody. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife curgal him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely good and honest, will be prized here.

DR. Aver: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Wansaw, Wroming Co., N. Y., Oct. 24, 1855.
Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

Her mother had been long grievous ly afflieted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

HONORED Sin: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exeruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excelent agent in Baltimore, Br. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

cipient consumption, and for the rollef of consumptive patients in advanced stages of the disease,

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful curse of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and daugerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formi-lable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the inclines enemy that steals upon them unprepared. We have abundant grounds to believe the Cherry Peterord saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away. All know the dreadful faishity of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.
