HIGHT & MACMURPHY, CONTINUE the above business, in all its branches, at the AMERICAN FOUNDRY, and will be thankful for orders for

Savannah River Plantation FOR SALE!

A HEALTHY SITUATION—A DESIRABLE RESIDENCE—AND A MOST PRODUCTIVE SOIL!

THE Subscriber being desirous of removing to Texas, offers for sale his valuable farm, well known as the

SNOW HILL PLANTATION, lying immediately on the Savannah River, four miles above Hamburg, on the Martin Town Road, and containing

625 Acres. 225 Acres of this Tract are in a most profitable state of cultivation—producing cotton, corn, &c., equal to the best lands in the country. The remainder of the Tract is finely timbered, and is truly valuable in consequence of its convenience to the Hamburg and Augusta markets.

The place is well improved—the dwelling house, which is commodious, has been lately repaired, and all the necessary out-buildings are in perfect repair. Attached to this plantation is a first rate Cotton Gin and Screw, run by water power. Also, a Thrasher for cleaning grain.

On the place is also a good Flour and Grist Mill, in fine running order, which turns out the best of Flour and Meal.

Also connected with this place, is an excellent Sand Fishery, which is surpassed by none on the River, and is one that pays well. This is a healthy location, convenient to market, and in fact one of the most desirable plantations in this State.

Numerous Springs of the purest and best water abound throughout the Tract. Many other advantages belong to this place which it is not necessary to mention.

Persons wishing to purchase, will not be doing themselves justice if they buy before examining the place.

If not disposed of before the 15th of November next, I shall not sell.

Land for Sale. THE Subscriber, desiring to change his business, offers for sale his TRACT OF LAND containing **Six Hundred Acres,** on the public road leading to Greenville, S. C. The Dwelling House on this Tract is large and commodious, commanding a fine view of the Mountains, and the Orchards and Vineyards contain a variety of choice fruits.

The upland is all of the best quality, with a due portion of the Creek bottom. Also several other Tracts of Land, varying in size to suit purchasers. Terms will be made easy. For further particulars apply to WM VAN WYCK, Pendleton, S. C., Sept 1, 1858 2m 34

FIRST CLASS PIANO FORTES. A. A. CLARK & SON, AUGUSTA, GEORGIA.

RETURN their sincere thanks to the citizens of Edgefield for their very liberal patronage for the last five years, and to inform them that they are still prepared to furnish PIANOS from the VERY BEST MARKETS at LOWER PRICES than can be got elsewhere.

Our attention has recently been directed to the advertisement of a dealer who claims desirous of advertising the guardianship of the public by telling them not to buy of "peddlars or agents"—but of him! As we have had no store in Augusta for two years, and have been selling all the time in the District, we presume it is intended for us, and in this connection will give our reasons for discounting our score there. They are these: We are at no expense, having no store rent, clerk hire, nor heavy board to pay, and can therefore sell lower than any other house.

2dly. We can sell more by it. And there is where the shoe pinches. In the last five years we have sold more Pianos in this District than all the other houses in Augusta and Charleston, and are unwilling that our claims to public patronage should be decided by any one that we have sold. Can the proprietor of the "Emporium" say as much? We sell no Pianos that can be bought back in a year or so at half price?

We give our Pianos and the maker's written guarantee that the Pianos are perfect in every respect, and are ready at any time to come up to us. We sell every Piano put up at home and attend to them a year or two of charge.

In conclusion, we would say that we are still buying and selling on our own responsibility from the makers we always deal with, viz: Jacob Chickering; Hallert, Davis & Co.; A. W. Ladd & Co., and others.

ANSLEY & SON, GENERAL COMMISSION MERCHANTS, AUGUSTA, GA.

Wholesale and Retail Dealers in BACON, LARD, FLOUR, GRAIN, &c. Will give strict attention to the Sale and Purchase of Merchandise, Flour, Grain, and all kinds of COUNTRY PRODUCE.

By strict personal attention to business, we hope to secure a liberal patronage from the citizens of Edgefield and the adjoining Districts.

POULLAIN, JENNINGS & CO, GROCERS & COTTON FACTORS, Opposite Globe Hotel, Augusta, Ga.

CONTINUE as heretofore, in connection with their Grocery business, to attend to the sale of COTTON and other Produce.

They will be prepared in the Brick Fire-Proof Warehouse, now in process of erecting in the rear of their store, at the intersection of Jackson and Reynolds streets, to receive on storage all consignments of Cotton.

Orders for Bagging, Rope, Family Supplies, &c. promptly filled.

M. P. STOVALL,</
