Da. J. C. Aver. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which thoy cleanse at once. If they will cure others as they do mo, the fact is worth knowing.

WASHINGTON, D. C., 7 Feb., 1856.
Sire: I have used your Pills in my general and hospital
practice ever since you made them, and cannot hesitate to
say they are the best cathartic we employ. Their regulating action on the liter is quick and decided, consequently they are an admirable remedy for derangements of that
organ. Indeed, I have seldom found a case of bilious discases so obstinate that it did not readily yield to them.

Dr. Ayre: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for mouths. Went off to be doctored at great expense, but got no better. Sho then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

We need not speak to the public of its virtues. Throughout every town, and almost every humlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steats upon them unprepared. We have abundant grounds to believe the Cherry Petoral saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are arable, nor neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be, talve spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who roly on it the best agent which our skill can furnish for their cure.

True Democrat. June 80 1858 tr ' THE LIVER-INVIGARATOR

PREPARED BY DR. SANFORD. Is a great scientific medical discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint from the worst Jaundice or Dyspepsia to a common head ache, all of which are the result of a diseased Liver. The Liver is one of the human body, and when it the powers of the system stomach is almost entirely action of the Liver for the functions. One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer or speedier remedy in the world, as it never fails.

There is no exaggeration in these statements; they are plain, sober facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

all who use it are giving their unanimous testimony in infavor.

We take infinite pleasure in recommending this medicine as a preventive for Fever and Ague, Chill Fever, and at Fevers of a Billous type. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so highly recommend as DR. SANFORD'S INVIGORATOR, so generally known now throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all who use it. Almost innumerable certificates have been given to the great virtue of this medicine by those of the highest standing in society, and we know it to be the best preparation now before the public.—Hudson County Democrat.
