# AYER'S

Colds, Coughs, and

HORRSCHESS.

BRIMTIELD, MASS., 20th Dec., 1855.
DR. J. C. ATER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECOGAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, ESO., of UTICA, N. Y., writas: "I I A.B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your 'Pederal myself and in my family ever slace you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, of take any other remedy."

Croup, Whooping Cough, Influenza.
Spinkofill, Miss., Feb. 7, 1856.
Brother Arkn: I will cheeffully certify your Iteoral
is the best remedy we possess for the cure of whooping
cough, croup, and the cheef diseases of children. We of
your fraternity in the South appreciate your skill, and
commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTERIT, I.A., writes, 3d Jan., 1856:
"I had a tedious Influenza, which confined me in doors
six weeks; took many medicines without relief; finally
tried your Pectoral by the advice of our clergyman. The
first dose relieved the soreness in my throat and lungs;
less than one half the bottle made me completely well.
Your medicines are the cheapest as well as the best wa
can buy, and we esteem you, Doctor, and your remedies,
as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

Sire: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from aluming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

IENNY L. PARKS, Merchant. A. A. RAMSEY, M. D., ALDION, MONDOR CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its

effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the Cherry Pectoral affords relief and comfort.

Pectoral affords relief and comfort.

ASTOR HOUSE, NEW YORK CITT, March 5, 1856.

DOCTOR ATER, LOWELL: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the daugerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong. of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHELBY, OF SHELDYLE.

Consumptives, do not despair till you have tried Ayen's CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues. — Philadelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their pene-trating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood and expel disease. They purge out the foul humors which breed and grow distemper, stimulate singgish or disor-dered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do

they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely regetable, are free from any risk of harm. Cures have been made which surpass belief were they not sub-stantiated by men of such exalted position and character as to forbid the suspicion of nutruth. Many eniment clergymen and physicians have lent their names to cartify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my

PIANO FORTES from the celebrated manufactories of RAVEN BAS CON & CO., HAZELTON, BROS., and A. II. GALE & CO., New York, for whom they are sole Agents. These Instruments having already won such far famed celebrity, it is only necessary to repeat that for strength, durability and finish, together with power, depth, sweetness and soft-ness of tone, they challenge competition. Persons wanting a superior

PIANO FORTE, would do much better to call and select from a large assortment, than by dealing with Pedlars and Agents of inferior makers, where they have no choice, and have often to pay higher prices for inferior Instruments, than fine ones of superior makers can be bought for. Every PIANO FORTE sold by us is warranted in every respect, so the purchaser runs no risk whatever. Persons ordering from a distance from us can depend upon getting a GOOD AR-
