### Fine Pianos, Books, MUSIC, &c., &c.

THE Subscriber after returning thanks to their friends in EDGEFIELD and adjoining Districts, for their liberal patronage during the last ten years, would inform them that they still continue to keep on hand a large assortment of PIANO FORTES

from the celebrated manufactories of RAVEN BA CON & CO., HAZELTON, BROS., and A. H. GALE & CO., New York, for whom they are sole Agents. HATS OF EVERY STYLE AND QUALITY. As well made, of as good material, and on as reasonable terms as can be found any where in the United States

Col. Simkins, Editor of the Advertiser, a man of aste and good judgement, commend our Hats in the following style: "Messrs. Woollay & Son, residing between

Graniteville village and the Graniteville Depot. have established a hat-making business which deserves honorable mention. They exhibit speci-mens of their work at our late District Fair, which readily took a premium. Their hats of all kinds commanded general admiration. Having procured one for our own caput, we can speak advisedly upon the subject. Messrs. Wootlay's fine dress hats are of superior quality; and, though very taking at sight, they decidedly improve on acquaintance. The one we now wear is capital hat, and we like it better and better every day. General McGowan, of Abbeville, wore off one from his last visit down this way, and we have no doubt he is delighted with it. All who have tried them, like them. An experienced dealer in the article examined ours the other day, and, not knowing it was of Edgefield manufacture, frankly gave the opinion that it was a first rate hat. This s the candil expression of one who trades with the best houses of New York. Messrs. Woollay not only make fine hats but common ones,—not only men's hats but boy's hats,—plantation hats n their business. They ought to be encouraged in their handsome and useful branch of manufactures. Messrs. Woollay, we had almost forgot to we confidently predict that they will do so at the approaching Columbia Fair. Why? Because their work is good, and no mistake. Under the circum-

say, took the premium at the last State Fair, and stances, should not Messrs. Woollay be encouraged, especially by the people of Edgefield among whom they have east their lot? Surely they should. Send down then to them at Graniteville; -send your measures and order your hats. Try them, merchants. Try them, planters. Try them, all of you. Their enterprize is a good one. Their work is good. Their prices are fair. Their hats are both fine and comfortable. Try them once, and we venture to say you will try them again.'

Headache, Sick Headache, Foul Stomach. Headache, Sick Headache, Foul Stomach.

Pittsburg, Pa., May 1, 1855.

Dr. J. C. Ayer. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1856. Sar: I have used your Pills in my general and hespital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious discate so obstinate that it did not readily yield to them.

COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every bannlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleusantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious onemy that steals upon them unprepared. We have abundant grounds to believe the Cherry Pectoral saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the ineversable canker that, fastened on the vitals, cats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

FOR THE CURE OF

Physician of the Marine Hospital,

Dysentery, Relax, and Worms.

Fost Office, Hartland, Liv. Co., Mich., Nov. 16, 1855.

Dr. Atre: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for mouths. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured ontirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

Indirection and Impurity of the Blood.

From Rev. J. V. Hinnes, Pastor of Advent Church, Bostom.
Dr. Ayrr: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have exknown, and I can confidently recommend them to my friends.

WARSAW, WYOMING Co., N. Y., Oct. 24, 1865.
DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, D.

From a Forwarding Merchant of St. Louis, Feb. 4, 1830.

Dr. Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievously affilieted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.
