How indifferent will a child soon become to its books if indulged in irregular study, and how despondent must it become, when, after a few days or weeks absence, it sees its class mates wading depths that it can not fathom! One dose, often repeated, cures Chronic Diarrhoea in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer or speedler remedy in the world, as if never fails.

There is no exaggeration in these statements; they are plain, soher facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its

We take infinite pleasure in recommending this medicine as a preventive for Fever and Ague, Chill Fever, and all Fevers of a Bilions type. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so highly recommend as DR. SANFORDS INVIGORATOR, so generally known now throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all who use it.
