REASONS WHY

The Grover & Baker SEWING MACHINES IS UNIVERSALLY PREFERRED

1st. It is more simple and easier kept in order than any other machine.
2nd. It makes a soam which will not rip or ravel, if every third stitch is cut.

3d. It sews from two ordinary spools, and thus all trouble of winding thread is avoided, while the same machine can be adapted at pleasure, by a mere change of spool, to all varieties of work.

4th. The same machine runs silk, linenthread

and common spool cotton, with equal facility.

5th. The scam is as elastic as the most elastic fabric, so that it is free from all liability to break in washing, ironing, or otherwise.

6th. The Stitch made by this machine is more beautiful than any other made either by hand or

Fine Pianos, Books, MUSIC, &c., &c.

THE Subscriber after returning thanks to their friends in EDGEFIELD and adjoining Districts, for their liberal patronage during the last ten years, would inform them that they still continue to keep on hand a large assortment of

PIANO FORTES from the celebrated manufactories of RAVEN BA CON & CO, HAZELTON, BROS., and A. H. GALE & CO., New York, for whom they are sole Agents. These instruments having already such far famed celebrity, it is only necessary for u to repeat that for strength, durability and finish together with power, depth, sweetness and soft ness of tone, they challenge competition. Persons

want ng a superjor PIANO FORTE, would do much better to call and select from a large assortment, than by dealing with Pedlars and Agents of inferior makers, where they have no choice, and have often to pay higher prices for inferior Instruments, than fine ones of superior makers can be bought for. Every PIANO FORTE sold by us is warranted in every respect, so the purchaser runs no risk whatever. Persons ordering from a distance from us can depend upon getting a GOOD AR-

TICLE, as we make it a point to keep goods of the best quality and such as we can recommend and The'r stock of MUSIC is very large and they are constantly receiving all new pieces as they are published. GUITAR and VIOLIN STRINGS of the best quality always on hand.

Feb 2. AYER'S Cathartic Pills. (SUGAR COATED,) CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues. FOR THE CURE OF Headache, Sick Headache, Foul Stomach.

PITTSUERG, P.A., May 1, 1855.

Dn. J. C. Aven. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. PREBLE.

Clerk of Seamer Carion. Bilious Disorders and Liver Complaints.

Bilious Disorders and Liver Complaints

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., 7 Feb., 1856.

Sin: I have used your Pills in my general and hospital
practice ever since you made them, and cannot hesitate to
say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequenly they are an admirable remedy for derangements of that
organ. Indeed, I have seldom found a case of bilious discute so obstinate that it did not resulty yield to them.

Fraternally yours,

Thyrician of the Marine Hopital,

Physician of the Marine Hospital,

Dysentery, Relax, and Worms.

Post Office, Hartland, lav. Co., Mich., Nov. 16, 1855.
Dr. Ayer: Your Pills are the perfection of medicine.
They have done my wife more good than I can tell you.
She had been sick and pining away for months. Went
off to be doctored at great expense, but got no better. She
then commenced taking your Pills, which soon cured her,
by expelling large quantities of worms (dead) from her
body. They afterwards cured her and our two children
of bloody dysentery. One of our neighbors had it bad, and
my wife cured him with two doese of your Pills, while
others around us paid from five to twenty dollars doctors
bills, and lost much time, without being cured entirely
even then. Such a medicine as yours, which is actually
good and honest, will be prized here.
Bod. J. GRIFFIN, Postmoster.

Indirection and Impurity of the Blood.

Indigestion and Impurity of the Blood. From Rev. J. V. Himes, Puster of Advent Church, Boston.

Dr. Ayer: I have used your Pills with extraordinary success in my family and among those am called to visit in distress. To regulate the organs of digestion and purity the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, Weaves Co. N. V. Oct. 24, 1855.

Friends. Yours, J. V. HIMES.
WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.
DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleause the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D. Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum. From a Forwarding Merchant of St. Lowis, Fds. 4, 1856. Dr. Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcorous sores upon her hands and feat that had arread by afflicted with blotches and pumples on her skin and in the halt. After our child was cured, she also tried your her halt. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

From the Rec. Dr. Hawkes, of the Methodiet Epiz. Church.

PULASKI HOUSE, SAVANNAH, CA., Jan. 6, 1866.

HONORED Sin: I should be ungrateful for the relief your
skill has brought me if I did not report my case to you.
A cold settled in my limbs and brought on excruciating
neuralgic pains, which ended in chronic rheumatism.
Notwithstanding I had the best of physicians, the disease
grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills.
Their effects were slow, but sure. By persevering in the
use of them, I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1855.
Dr. AYER: I have been entirely cured by your Pills of
Rheumatic Gout—a painful disease that had afflicted mo
