PIANO FORTES rom the celebrated manufactories of Raven Bacon & Co., Hazelton Bros., and A. H. Galo & Co., New York, for whom they are sole Agents. These Instruments having already won such far-famed celebrity, it is only necessary for us to repeat that for strength, durability and finish, together with power, depth, sweetness and softness of tone, they challenge competition. Persons wanting a Superior Piano Forte, would do much better to call and select from a large assortment, than by dealing with Pedlars and agents of inferior makers, where they have no choice, and have often to pay higher prices for in-ferior Instruments, than fine ones of superior makers can be bought for.

Every Piano Forte sold by us is warranted in every respect, so the purchaser runs no risk what-ever, Persons ordering from a distance from us can depend upon getting a GOOD ARTICLE, as we make it a point to keep goods of the best quality and such as we can recommend and warrant in very respect.
