ANOTHER GREAT CURE!

CAPT. R. L. GENTRY,-DEAR SIR: I, with relings of gratitude, acknowledge that the val-uable Medicine of which you are Agent, performed a great cure in my family. My boy went to Ham-burg with the wagon, and was shortly thereafter attacked with Diarrhees in its worst and most malignant form, from which, for several hours, he suffered the accutes pain, and was indeed for a time almost blind from his severe suffering. But a Remedy-DR. MARTIN'S GREAT REMEDY

was found! And in his case it was a timely Remedy! He partook of the "Remedy" and soon the next morning was enabled to report himself ready for work. Mrs. Gibson's boy was in company with mine, and was attacked in a like manner. He tried the "Remedy" and with him it reversel countly as efficacions. proved equally as efficacious. I take much pleasure in recommending this invaluable Medicine to the public. No family should be without it at this season of the year.

It can be had of Capt. R. L. Gentar, at the
Store of H. & N. E. Solomon, Hamburg. The
Captain will also do his best to sell you a cheap

hill of Goods, rather than see the money go out f the State.

would inform them that they still continue to keep

on hand a large assortment of PIANO FORTES from the celebrated manufactories of Raven Bacon & Co., Hazelton Bros., and A. II. Gale & Co., New York, for whom they are sole Agents. These Instruments having already won such far-famed celebrity, it is only necessary for us to repeat that for strength, durability and finish, together with p depth, sweetness and softness of tone, they challenge competition. Persons wanting a Superior Piano Forte, would do much better to call and select from a large assortment, than by dealing with Pedlars and agents of inferior makers, where they have no
