"THE UPPER COUNTRY." THE Subscriber is offering for sale this VALUABLE PLANTATION in the South Western part of Pickens District, near the town of Walhalla, and twenty miles West of Piedmont Village. This tract of land contains One Thousand and Seventy-Six Acres, of which about ninety-five Acres are rich bottom land in cultivation, about one hundred Acres are in pasture, and the cleared land on the place amounts in the aggregate, to about four hundred acres. The lands being more than twenty miles South of the first mountain ledge, cotton matures here very well indeed. All the improvements on this place are costly, substantial, and recently made, rendering it one of the most desirable situations in the District. The DWELLING HOUSE is a new two-story frame building with six fire places, and a number of comfortable rooms. The BARN and STABLES are new and commodious. The WHEAT THRASHER and COTTON GIN, both constructed last year, are driven by water power. The SAW MILLS is in good order with an abundance of timber near at hand. All the principal machinery about the COYIN and FLOURING MILLS was put up last year by skilled workmen. These Mills comprise all the modern improvements for cleaning Wheat thoroughly, and for making the best "run-over" of nice white flour. The machinery of this Mill is propelled by an over-shot wheel twenty-four feet in diameter, the water being abundant and never failing. Society in the vicinity is wealthy, intelligent and agricultural. For terms and further particulars, apply to the Proprietor on the premises. Inquiries by letter will be answered with promptness. Address: Col. W. R. BIELOR, Fair Play, S. C., June 1, 1859
