Copy of a Letter received from Rev. D. D. Brunson.

DUNTONSVILLE, April 26th, 1850. MR. M. A. RANSON-Dear Sir : The Grover & Baker Sewing Machine which I purchased of you last winter, has given entire satisfaction. I have seen many favorable notices published about those Machines, and from our experience, we believe them all without exageration. Doubtless, when more generally known, they will be in general use, and accomplish what Hon. Mr. Banks says, "work as great a change in families, as railways have in communities and States." Respectfully, yours, D. D. BRUNSON.

Extract of a Letter from W. H. Norris. Rings, S. C., May 2nd, 1859. MR. M. A. RANSOM-Dear Sir: I cheerfully as sure you that we are well pleased with the Grover & Baker Machine. My wife would not be without t for twice its cost.

REV. T. F. WILLIAMS, of this District, writes thus, MR. M. A. RANSOM-Dear Sir : I am pleased to say that the Grover & Baker Machine bought of you, works as well as I could desire. My wife finds no trouble in working it. Before purchasing, I examined other Machines, but did not like the stitch near as well as that made by the Grover & Baker. With my knowledge of these Machines, and what I hear from others, I am thoroughly onvinced that no Machine can favorably compare with them for family use.
