Letter.
While droop'd and glisten'd her eyelash brown
Your man's a poor man, a cold and sour man.

Lincoln Not to Receive the City's Welcome.
Last night, Mr. Dayton in the Board of Aldermen, offered a resolution providing for the appointment of a joint select committee of the Common Council to invite Mr. Lincoln, the President elect, to visit New York and accept the "cordial welcome" of its citizens on his way to the national capital.

Suppression of the African Trade.
The resolution passed by the Alabama Convention instructing their Delegates to the Montgomery Convention to vote in favor of a proposition to prevent forever the re-opening of the African Slave Trade, will, we hope meet with the concurrence of the Delegates from all the Seceding States at that Convention.

Maryland Already Secured.
The abolition military despotism is progressing freely. In Monday's Tribune the iron heel is pressed down upon poor Maryland in the following fashion:

Miscellaneous.
The Israelites of South Carolina.
The Israelites of South Carolina are among the most faithful and patriotic of the people of South Carolina.

The Republican Compromise.
This is the Tribune's remedy: "The true compromise for the crisis is to buy all the negroes of the Border States and thus convert them into Free States. Who would refuse to be taxed for such a purpose? Nobody who is not a fool or a traitor."

Picked Men.
A Northern paper suggests the sending of a thousand picked men to the South. If on getting to the South, they happened to be tarred and feathered, they will no doubt, after the feathers are removed, be "picked" men.

Is Paris.
Some of the Paris journals state that a deputation from South Carolina has arrived in Paris, and obtained an audience of M. Thouvenel, Minister of Foreign Affairs.

The Social Horror.
An untidy woman! Little soap and much perfume. Plenty of jewelry and lack of strings and buttons.

For Sportsmen.
Just received FIFTY BAGS superior Sporting SHOT, all Nos. Also, on hand a supply of good POWDER, CARTRIDGES, &c.

CHICKERING & SONS PIANO FORTES!

THIS is one of the OLDEST Establishments of the kind in the country—and they still maintain their superiority in the manufacture of the award of THIRTY-EIGHT PRIZE MEDALS, over all competitors, for the superiority of their instruments exhibited at various Fairs in this country and Europe.

They have had an Agency in this City for about thirty years, where thousands of their PIANOS have been sold to the entire satisfaction of every PURCHASER. SATISFACTION OF EVERY PURCHASER. SATISFACTION OF EVERY PURCHASER.

JACOB CHICKERING is not a relation of them, and has no business interest with them. I have the sole Agency for Augusta of Chickering & Sons, and in hand a full assortment of PIANOS for sale at

FINE PIANOS, MUSIC, &c., &c. THE subscriber, after returning thanks to their friends in Edgfield and adjoining Districts for their liberal patronage during the last ten years, would inform them that they still continue to keep on hand a large assortment of

PIANO FORTES from the celebrated manufacturers of Raven Bacon & Co., Hesterton Bros., and A. H. Gale & Co., New York, for whom they are sole Agents. These instruments having already won great celebrity, it is only necessary for us to repeat that for strength, durability and finish, together with power, light, sweet and soft tones, they challenge competition.

STOCK OF MUSIC is very large, and they are constantly receiving all new pieces as they are published. GUITAR and VIOLIN STRINGS of the best quality always on hand. They would also call attention to their large stock of

School and Miscellaneous Books, STATIONERY, BLANK BOOKS, and other articles. Also, always on hand the largest assortment in the State of

GUITARS, ACCORDEONS, VIOLINS, FLUTES, PEGGOLETS, VIOLIN BOWS, &c., and every article of Musical Merchandise. Carhart and Needham's and Prince's celebrated MELODEONS, &c.

Accordeons and Violins Repaired in the best manner. All of the above articles sold at low prices for CASH or City acceptances by

Who Wants to Move to ARKANSAS? PERSONS who live in Georgia, Alabama and South Carolina, and who are too busy and have not time and money to come to Arkansas to look and buy lands before removing can avail themselves of my services to ENTER LANDS and HOMES for them at New Orleans or New York, \$1 per acre and will average from 800 to 1,500 pounds seed cotton and 15 to 20 bushels corn per acre from the first year's crop. My expenses for this service will be paid by the landowner in which I live, and to land within from 3 to 15 miles of Ouachita River, which is good navigation and accessible to the best Grocery in South Carolina, and will thereby know every acre of Public Land subject to entry; and will here inform the people in the old States, that there are plenty lands belonging to the State, demarcated Swamp and Wet Lands, subject to entry at 75 cents and upwards, 25 cents per acre, and also other these lands at same rates, per acre, as the other. I am no Land Speculator and have no land for sale for less than \$10 per acre, and am holding out, and my whole interest in the same. My main object is two-fold, viz: To have the country settled up by good, industrious and responsible Southerners; and secondly, to have them avail themselves of the benefits of a new country and good lands at cheap rates, before speculators come and get it all. If any doubts should exist as to my sincerity and responsibility, I refer to the following highly respectable and responsible firms and individuals. Address sent Post Oak, Calhoun Co., Arkansas.
