A New and Grand Epoch in Medicine.
Dr. MAGGIEL is the founder of a new Medical System! The Quackeries, whose vast internal doses enable the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most violent sores with a box or so of his wonderful and all healing Salve. These two great specifics of the Doctor are fast superseding all the nostrums of the nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so-called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffice to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are likewise extinguished by the distinguished power of Maggiel's Salve. In fact, it is here announced that Maggiel's Billious, Dyspeptic and Diarrhetic Pills cure where all others fail. While for Burns, Scalds, Chilblains, Cuts, and all abrasions of the skin, Maggiel's Salve is invaluable. Sold by J. MAGGIEL, 11 Pine Street, New York, and all Druggists, at 22 cts. per box.
