GREAT IMPROVEMENT IN SEWING MACHINES.

EMPIRE SHUTTLE MACHINE!
Salesroom, 536 Broadway, New York,
250 WASHINGTON ST., BOSTON,
921 CHESTNUT ST., PHILADELPHIA.
Patented Feb. 14, 1850.
THIS MACHINE is constructed on entirely new principles of mechanism, possessing many rare and valuable improvements, having been examined by the most profound experts, and pronounced to be
Simplicity and Perfection Combined.
It has a straight needle, perpendicular action, makes the LOCK or SHUTTLE STITCH, which will neither RIP nor RAVEL, and is alike on both sides; performs perfect sewing on every description of material, from Leather to the finest Nansook muslin, with cotton, linen or silk thread, from the coarsest to the finest number. Having neither CAM or COG WHEELS, and the least possible friction, it runs as smooth as glass, and is
Emphatically a Noiseless Machine.
It requires FIFTY PER CENT. less power to drive it than any other machine in the market. A girl twelve years of age can work it steadily, without fatigue or injury to health.
Its Strength and wonderful simplicity of construction renders it almost impossible to get out of order, and is GUARANTEED by the company to give entire satisfaction.
We respectfully invite all those who may desire to supply themselves with a superior article, to come and examine this UNRIVALLED MACHINE.
One half hour's instruction is sufficient to enable any person to work this Machine to their entire satisfaction.
Agents wanted for all towns in the United States, who agree to send ready established. Also, for Cuba, Mexico, Central and South America, to whom a liberal discount will be given.

THE SOUTHERN CHRISTIAN ADVOCATE. 1867. THIRTIETH VOLUME.

THIS well known religious family newspaper, commenced its THIRTIETH VOLUME, in January, 1867, under the editorial control of the REV. E. H. MYERS, D. D., who has conducted it for the past two years.
Devoted to Religion and the interests of the Church of Christ—an organ of the Methodist Episcopal Church South, in the South-Eastern States—of high literary character—having among its contributors and correspondents many of the most eminent divines in that Church, and giving due attention to every question of public importance, to facts in Science and Art, to the News, to the Markets, etc., etc., we deem it the very paper for the Family, where but one paper is taken, and worthy a place with the best where several are taken.
Besides, it is emphatically the paper for the poor man. (and such we all are now) for it is cheap, style and size considered, than any paper in the Southern States.
As a medium of extensive country advertising it is the best paper in the South-East, having a wide range of circulation, and a large list of subscribers in South Carolina, Georgia, Florida and Alabama.
Any person sending \$30.00, will be entitled to a copy of the paper for one year, for this service. Those wishing to subscribe may remit by mail, or apply to the nearest itinerant preacher of the Methodist Episcopal Church South, all of whom are Agents for the paper.
Terms.—Three Dollars for one year; Two Dollars for eight months; One Dollar for four months.
Invariably, Cash in advance. When the money is exhausted, the paper is discontinued.

I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss.

The following is an interesting case of a man employed in an Iron Foundry, who, in pouring molten iron into a flask that was damp and wet, caused an explosion. J. HARDY,
119 Goerick Street.

My name is Jacob Hardy; I am an Iron Founder; I was badly burned by hot iron in November last; my burns healed, but I had a running sore on my leg, that would not heal; I tried MAGGILL'S SALVE, and it cured me in a few weeks. This is all true, and anybody can now see me at Jackson's Iron Works, 2d Avenue.
