The Company will always purchase its Policies at their Cash value. We offer the people of the State the same financial security as Northern Companies, the accumulating premiums of the insured, and in addition

In benefits derived from the investments made by these Companies in Northern real estate and securities, our people can never share on equal terms. Seeds.

We are sowing, daily solving;
Countless seeds of good and ill;
Scattered on the level lowland,
Cast upon the windy hill;
Seeds that sink in rich brown furrows,
Soft with Heaven's gracious rain;
Seeds that rest upon the surface
Of the the dry unyielding plain.

Seeds that fall amid the stillness.
Of the lowly mountain glen;
Seeds cast out in crowded places,
Trodden under foot of men; Seeds by idle hearts forgotten, Flung at random on the air; seeds by faithful souls remembered, Sown in tears, and love, and prayer,

In our words and looks and actions Lie the seeds of death and life.

Thou, who knowest all our weakness, Leave us not to sow alone! Bid thine angels guard the furrows Where the precious grain is sown,
Till the fields are crowned with glory
Filled with the mellow ripened ear
Filled with fruit of life eternal,
From the seeds we sowed in tears.

Check the forward thoughts and passion Stay the hasty, heedless hands, Lest the germs of sin and sorrow Mar our fair and pleasant lands. Father help each weak endcavor, Make each faithful effort blest, Till thine harvest shall be garnered, And we enter into rest.
