From the Yorkville Enquirer. The wholesale arrests made by the mitiary in this county have had a very deressing influence on business and industrial pursuits generally, and we presume such will be the case throughout the en-tire section of the State embraced in the proclamation of the President. Crops remain in the fields unharvested, and on account of the general feeling of insecurity, business is nearly at a stand-still, while a large number of persons have left the county, rather than incur the unpleasant and uncertain consquences of arrest

The future of our section, we are free to confess, is now more gloomy than it has been at any time since the close of the war. We learn, from what we deem a reliable source, that near forty persons in this county have made confessions to the au-

kind has occurred since the military commenced making arrests. On Thursday last, the military authorities at this place commenced making arrests. Several citizens of the town were arrested while in the pursuit of their avocations, and many persons from the country, while in town on business, were also detained and lodged in prison.

About the same hour that the arrests

ommenced in town, the military began to move, squadrons of cavalry marching out arresting those in the country whom accusations have been made, for vioations of the "Ku-Klux" and "Enforcement" Acts of Congress. CUNDURANGO! CANCER, SYPHILIS, SCARFULA, ULCERS, SALTRHEUM and ALL OTHER CHRONIC BLOOD DIS-EASES.

EASES.

DR. P. T. KEENE having just returned from Ecuador and brought with him a quantity of the genutus of and brought with him a quantity of the genutus and the graph the official recommendation and assistance of this Excellency the President of Ecuador, and the Government of that Republic, we are prepared to fill orders for it to a imitted extent, and at a price about one-quarter of that which the cost of the first very small supply compelied us to charge.

A spurious article is now advertised and sold as Cundurango. We have, at a considerable expense, and with the co-operation of the suthorities of Loja, the province where the plant grows, so directed the channel of our supply as to ensure that none but the genutine article shall be sold by us; and we perticularly call the attention of the public, for their protection, to this fact.
