A valedictory message was received from Gov. Scott, and 2,000 copies were ordered to be printed. We have not pace for this farewell official harangue of Gov. Scott, and must content ourselves with the following synopsis prepared by the Columbia correspondent of the Charleston News. This correspondent says:

"Its tone is very aperate and conciliatory. He reviews his administration; mentions the abundant harvests of the present year, and the general increase ne opmercial importance and prospects, ander a reign of peace throughout the state. Refers to the singular condition of the State, and country when he was elected first; the flattering vote by which he was twice chosen, and to the minority which as that time kept aloof from all at tended to bring about a better state feeling between them and the majorithis connection a reference ade to his first inaugural address treating and advising upon the same subject, making a close comparison and thorough the situation then and r e financial condition of the State then d now is referred to, and the causes ial measures are briefly explained, as the opposition, of the Den the Democratic press in the State, which ded to make matters worse in this resect instead of better. The fact of Ku Klux outrages having been committed, and that nine counties had been placed under tial law on account thereof, tending martial law on account thereof, teltung also to increase the indebtedness, is alluped to. The charges and asseverations against his administration are taken up, and briefly answered. The improvements, prosperity, &c., of the past four years in connection with the building up years in connection with the building up of the waste places, the increase of bu-siness, &c., are cited. The message con-cludes, by a reference to the fact of his having been a prisoner of war at Char-leston: of his having been humanely leston; of his having been himmanly treated, and of the subsequent responsible duty which he performed in the State after the war, and before he was chosen its Governor; of the feeling of pride he shall always possess for having been identified with the new form of the govidential with the new form of the goving the state of the has committed errors, but claims that

In the House, Mr. Hurley introduced a concurrent resolution, that hereafter the State Treasurer shall pay no moneys for any claim unless the same is acted upon by the General Assembly, and that he submit a daily report; that the contingent account be itemized and laid on desks of members; that all committees to whom bills are referred shall report same back in five days. Mr. Artson gave notice of a bill to en

der the very peculiar changes and cir-cumstances of the times, and such as

would have probably been committed by almost any man in the spine posi-tion. In closing, he declares that he is willing to leave the review and criticism

of his stewardship to time, feeling that, if weighed Ju-tly, his errors will be found not chargeable to a want of integ-

courage the rebuilding of the burnt dis-Mr. Barker gave notice of a bill to

regulate hours of labor in cotton facto Mr. Bowley, of a Bill to provide for

the levying of a tax of-mills. (All amounts in this Bill are left blank, but it is said that sixteen mills in amount is intended to be levied, including county Mr. Crews of a Bill to repeal all exist

ing fence laws; also, a Bill to fix the office hours of County officers. The Speaker announced the Standing

Committees. Dr. J. A. Barker is Chairman of Com caittee on Banks and Insurance Compa-

nies, and is also on the Committees or Ways and Means,-Claims-Military Affairs-and Medical. Paris Simkins is Chairman Committee

on County officers and offices, and is also on the Committee on Judiciary-Education, and Privileges and Elections.

requested to send me the respective amounts due. The Company are paying interest on the money borrowed to make the Fertilizers last season, as well as for that borrowed to make it for the next, whilst a large portion of debts for last season (more than half sold by me)

By virtue of an Execution in the above stated case, to me directed, I will proceed to sell at Edgefield C. H., on Sale-day in January, 1873, all that TRACT. OR PARCEL OF LAND situated in Edgefield County, containing Four Hundred Acres, more or less, adjoining lands of Augustus Moten, Jasper Yeldell and others, upon which David J. Williams, one of the Defendants, now resides. last season (more than half sold by me) one of the Defendants, now resides. are unpaid. Other companies, who re; quired Bank Notes and factors' acceptances, have been promptly paid. The want of punctuality is causing our Company to lose confidence in sales made

ceptances. I hoped and expected to see the most I hoped and expected to see the most of those who purchased from me on Sale day last, and that I would has to see the most in the above stated case. I will proceed to sell at the residence of the Defendant, on Saturday, the 21st of December inst, the following property, to wit:

Two Bales of Cotton:

About Five Bales Cotton in the field, Also, all the Corn—about 50 bushels. call on each one personally on account of number (between 40 and 50) as well as the sickness of my horse. I think it probable that I shall have to

in any other way, on time, than for ac-
